

EARLY CHILDHOOD EDUCATION

A.A.S. Degree, Occupational Endorsement, Certificate, Minor

The early childhood education program at the UAF Community & Technical College offers certificate and degree programs that prepare students for a highly satisfying career nurturing young children. Programs are designed for students enrolling in college for the first time as well as for those who are educated in other subject areas but desire to retrain for employment in the early childhood education profession.

Students will gain the knowledge and skills they need to meet State of Alaska requirements for employment as administrators or teachers in licensed centers and as aides in elementary schools.
