GRADING SYSTEM AND GRADE POINT AVERAGE COMPUTATION

All course grades are letter grades unless otherwise specified in the class schedule. The method of grading (letter or pass/fail) is an integral part of the course structure and is included in the course description. Instructors are expected to state their grading policies in writing at the beginning of each course. Grades appearing on academic records are:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>A</strong></td>
<td>&quot;A&quot; (including A+ and A-) indicates a thorough mastery of course content and outstanding performance in completion of course requirements.</td>
</tr>
<tr>
<td><strong>B</strong></td>
<td>&quot;B&quot; (including B+ and B-) indicates a high level of acquired knowledge and performance in completion of course requirements.</td>
</tr>
<tr>
<td><strong>C</strong></td>
<td>&quot;C&quot; (including C+ and C-) indicates a satisfactory level of acquired knowledge and performance in completion of course requirements.</td>
</tr>
<tr>
<td><strong>D</strong></td>
<td>&quot;D&quot; (including D+ and D-) indicates a minimal level of acquired knowledge and minimal performance in completion of course requirements. This grade does not satisfy requirements for courses in the major, minor, core or graduate programs.</td>
</tr>
<tr>
<td><strong>F</strong></td>
<td>&quot;F&quot; indicates failure to meet a minimal level of understanding of course content and/or performance in completion of course requirements. All F grades, including those earned in pass/fail courses, are included in the GPA calculations.</td>
</tr>
</tbody>
</table>

**Pass** — The pass grade indicates satisfactory completion of course requirements at either the undergraduate or graduate level. A pass grade does not affect your GPA but credits earned with pass grades may meet degree requirements and may be used as a measure of satisfactory progress. Satisfactory performance is the equivalent of a C grade (2.0) or better in undergraduate course work and B grade (3.0) or better in graduate courses. The entire class must be graded pass/fail, with the grading system noted in the class schedule.

**Incomplete** — An incomplete is a temporary grade used to indicate that the student has satisfactorily completed (C (2.0) or better) the majority of work in a course but for personal reasons beyond the student’s control, such as sickness, has not been able to complete the course during the regular semester. Normally, an incomplete is assigned in a case when the student is current in the class until at least the last three weeks of the semester or summer session. Negligence or indifference are not acceptable reasons for an I grade. Instructors include a statement of work required of the student to complete the course at the time the I grade is assigned, and a copy of the notice of the incomplete grade will be sent to the dean of the school or college in which the course is given. An incomplete must be made up within one year or it will automatically be changed to an F grade. One year is the longest amount of time allowable for completion of the I. The I grade is not computed in the student’s GPA until it has been changed to a regular letter grade by the instructor or until one year has elapsed, at which time it will be computed as an F. A senior cannot graduate with an I grade in either a university or major course requirement. To determine a senior’s GPA for honors at graduation, the I grade will be computed as a failing grade.

**CR** — Indicates credit was given under the credit/no-credit option.

**DF** — Deferred — This designation is for courses such as theses and special projects that require more than one semester to complete. It indicates that course requirements cannot be completed or that institutional equipment breakdown resulted in noncompletion by the end of the semester. Credit may be withheld without penalty until the course requirements are met within an approved time. For undergraduate courses, the grade will automatically change to a W (withdrawn) after two years unless an extension is requested and granted by the registrar.

**AU** — Audit — A registration status indicating that you have enrolled for informational instruction only. No academic credit is granted. You may be given a W if you fail to attend a course you are auditing.

**W** — Withdrawn — Indicates withdrawal from a course after the first two weeks of a semester.

**NB** — No Basis — Instructors may award a No Basis grade if there is insufficient student progress and/or attendance for evaluation to occur. No credit is given, nor is NB calculated in the GPA. This is a permanent grade and may not be used to substitute for the Incomplete. It cannot be removed by later completing outstanding work.

**NS** — Not Submitted — Grade not submitted by instructor.

**NG** — Non-Graded — Used for sections that are not graded, usually continuing education units (CEUs) or lab sections. Has no impact on GPA calculation.

The letter grades A, B, C and D may include a "+" or "-" to indicate that a student’s level of performance is slightly higher or lower than that of the letter grade alone.

**Computing your GPA**

Your grade point average is a weighted numerical average of the grades you earn in your courses at UAF. To compute your GPA, divide the total number of credits you have attempted into the total number of grade points you have earned. Grade points are calculated by multiplying the number of grade points awarded, according to the chart below, by the number of credits attempted for the course. The following grades are figured in your GPA: A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D- and F. Grades of I, DF, W, P, NB, AU and CR do not carry grade points and do not affect your GPA. Noncredit courses, transfer credits and credit by examination do not affect the GPA calculations. Your “graduating GPA” is your cumulative grade point average at the time of graduation. If, after earning a bachelor’s degree, you take more classes from UAF as a nondegree student, grades for those courses won’t be factored into your official graduating GPA. The exception is students who are officially admitted to a second degree program.

**Repeating Courses**

All grades (original and retakes) for a course completed at UAF are included on your academic record, but only the last grade earned for a course is computed in your GPA unless the course is one that can be repeated for credit. For purposes of calculating honors for graduation, all courses (even those repeated) are included in the GPA.
Grade | Grade points per credit
--- | ---
A+ | 4.0
A | 4.0
A- | 3.7
B+ | 3.3
B | 3.0
B- | 2.7
C+ | 2.3
C | 2.0
C- | 1.7
D+ | 1.3
D | 1.0
D- | 0.7
F | 0.0

1 Minimum grade possible for a course to count toward baccalaureate core, major, minor or degree requirements, or as a prerequisite for another course
2 Minimum grade possible to earn credit for a course

Note: Some degree programs require C or higher for their major or minor requirements. Check program listings for your degree requirements.
