URSA F388  Undergraduate Research and Creative Scholarship I
2-6 Credits
Offered Fall and Spring
Provides undergraduate opportunities for student research or creative
scholarship in advanced topics beyond typical undergraduate laboratory
or studio course offerings across all disciplines. Students must meet
with the course instructor in the previous semester to identify a mentor.
Students will write a project proposal for further work by the end of the
semester and make a poster presentation of their proposal and any
preliminary findings.
Prerequisites: Junior standing or permission of instructor.

URSA F488  Undergraduate Research and Creative Scholarship II
2-6 Credits
Offered Fall and Spring
Provides undergraduate opportunities for student research or creative
scholarship in advanced topics beyond typical undergraduate laboratory
or studio course offerings. Students must meet with the instructor in
the previous semester to identify their mentor and expected project;
ideally students will have completed URSA F388 with the same mentor
and have a written project proposal. Students will work on a project
in collaboration with their mentor. Students are required to publically
present their work and submit a final report suitable for submission to a
discipline-specific journal. Research and creative scholarship areas range
across all disciplines. A substantial level of background in the specific
discipline, a level commensurate with having achieved junior or senior
level, is assumed.
Prerequisites: URSA F388 and junior senior standing or permission of the
instructor.
