ACADEMIC ADVISING AND LEARNING ASSISTANCE

Academic advising is a vital part of your experience as a student at UAF. In fact, academic advising is so important that UAF requires you to meet with your academic advisor at least once a semester before you can schedule your courses. Your academic advisor help you develop an educational plan encompassing your academic and career goals, requirements of your major, and your semester-by-semester study plan to make the best use of your credits. Students can also see their degree and major requirements through DegreeWorks at http://uaonline.alaska.edu. UAF students admitted into a major will be advised by a faculty or staff advisor from their department. Visit http://www.uaf.edu/advising/ for academic advisor contact information.

The Academic Advising Center, on the Fairbanks campus, helps general studies and pre-major students as well as students in majors who are exploring other bachelor’s or pre-professional degree programs. Certificate, associate, vocational and technical program students are advised at the Community and Technical College Student Advising and Registration Center in downtown Fairbanks. Native and rural Alaska students are encouraged to seek an academic advisor from Rural Student Services in the Brooks Building. Students at community campuses outside Fairbanks can contact their local student services staff for information on registration, deadlines and other policies unique to their campuses or regions.

International Student Advising

Students from other countries face many situations that American students do not encounter. Advisors issue documents so students can apply for visas, help students adjust to UAF, and provide immigration and personal assistance. For more information, contact the Office of International Programs and Initiatives at 907-474-7677 or 907-474-7157, uaf-internationalprograms@alaska.edu or http://www.uaf.edu/oip/.
