

# ETHNOBOTANY

---

## Minor only

The minor in ethnobotany provides students who have completed the ethnobotany certificate program with the opportunity to continue their studies and earn a baccalaureate degree focused on the relationship of plants and humans. It also provides students who are not in the EBOT certificate program with the option of fitting ethnobotany courses into their current DANSRD or other baccalaureate programs.

Minimum Requirements for Ethnobotany Minor: 15 credits
