

GENERAL SCIENCE

B.S. Degree

ADMISSION TO THIS PROGRAM IS CURRENTLY SUSPENDED.

The B.S. degree program in general science provides a broad background in the natural sciences. The program allows specialization in at least two disciplines within the natural sciences as well as an additional area of associated interest. This degree offers more breadth in the natural sciences than other degree programs and may be classified as an interdisciplinary degree.

Minimum Requirements for Degree: 130 credits

College of Natural Science and Mathematics
