

ACCOUNTING, APPLIED

A.A.S. Degree

The applied accounting program prepares students for entry- and midlevel accounting positions in payables and/or receivables, bookkeeping and payroll accounting. This program covers financial decision-making tools for the small-business operator as well.

Courses in the applied accounting program address the concerns of modern businesspeople and provide training to enhance business success.

Students entering the A.A.S. program are expected to have basic computer skills equivalent to CIOS F150. Classes are offered online and during times that accommodate working students.
