

O.E.C., RURAL SURFACE WATER QUALITY TESTING

Occupational Endorsement

This program provides education and training to conduct water quality monitoring and assessment by developing and following a Quality Assurance Project Plan. Course work focuses on issues related to rural Alaska communities and provides basic academic preparation for entry-level water quality technician careers. Students gain a foundation of knowledge that prepares them to continue into science and engineering-related certificate, associate or baccalaureate programs.

Minimum Requirements for Rural Surface Water Quality Testing Occupational Endorsement: 9 credits

College of Rural and Community Development (<http://www.uaf.edu/rural/>)
