

O.E.C., RURAL UTILITIES BUSINESS MANAGEMENT

Occupational Endorsement

The occupational endorsement in rural utility business management provides education and training in theory and skills for the sustained operation of rural water and wastewater utilities. The program is open to all individuals who wish to apply, with the recommendation that they have a high school diploma or GED. It is designed to serve the needs of rural Alaskans who are employed by a rural sanitation utility or nominated by any of the following: a rural sanitation utility, State of Alaska RUBM program manager or Alaska Native tribal health corporation. Applicants must be 16 years old to be admitted.

Minimum Requirements for Rural Utilities Business Management
