

# BUSINESS ADMINISTRATION

---

## B.B.A. Degree

The business administration program offers professional education to students interested in finance, human resources, leadership and marketing. Competent management practices require an education that is both broad and deep. The business administration program prepares graduates to meet complex technical, economic and social problems and enables them to apply imaginative and responsible leadership to the needs of industry and government.

The undergraduate and graduate business administration programs are accredited by the Association to Advance Collegiate Schools of Business.

Minimum Requirements for Business Administration Bachelor's Degree:  
120 credits
