

INTERDISCIPLINARY STUDIES

A.A.S. Degree

The interdisciplinary program provides flexibility to students who have educational goals that do not fit into one of the established Associate of Applied Sciences degrees offered by UAF. This A.A.S. interdisciplinary studies program is offered through a shared partnership with the Community and Technical College and the office of Undergraduate Interdisciplinary Studies. Students who are interested in an interdisciplinary studies program should meet with an advisor in the office of Undergraduate Interdisciplinary Studies or the CTC Advising Center to discuss their educational plan. Appointments can be scheduled by clicking the "schedule an appointment" link on the undergraduate interdisciplinary studies website or by calling the CTC Advising Center at 907-455-2800.
