TUITION AND FEES

Tuition

Tuition is determined by the number of credit hours in which the student is enrolled, the level of the courses and the student’s residency status (see the 2019-2020 tuition table below).

- Undergraduate students are considered full time at 12 or more credits.
- Graduate students are considered full time at 9 or more credits.
- Students enrolled in no more than 4 credits per semester pay tuition at the resident rate.

RESIDENT AND NONRESIDENT TUITION

Students eligible for Alaska resident tuition generally include:

- an Alaska resident, defined as a person who is a U.S. citizen or eligible noncitizen who has been physically present in Alaska for at least the past two years;
- students who received a State of Alaska Permanent Fund Dividend within the last 12 months and can certify they have been in Alaska for the past 12 months;
- military personnel on active duty, their spouses and dependent children;
- members of the National Guard, their spouses and dependent children;
- veterans of the U.S. armed forces, and their dependents, who are eligible for Veterans Affairs educational benefits;
- dependent children of a person who graduated and holds an associate, bachelor’s, master’s or doctoral degree from the University of Alaska;
- dependent children of an Alaska resident as evidenced by the most current federal income tax return filed within the past 16 months;
- students participating in the Western Interstate Commission on Higher Education Western Regional Graduate Program;
- students enrolled in 4 or fewer credit hours within the UA system during a semester;
- students from other states or provinces whose public universities waive nonresident tuition surcharges for Alaska residents, or who are from foreign cities and provinces with established Alaska sister city or sister province relationships;
- students designated by the UA Scholars Program as UA Scholars;
- participants of the University of Alaska College Savings Plan;
- spouse or dependent children of a University of Alaska employee; or
- students who graduated within the past 12 months from a qualified Alaska high school.

Students will be considered nonresident if within two years prior to applying for residency they:

- were absent from Alaska for an aggregate of more than 120 days for other than documented absences due to illness or attendance at another educational institution while maintaining Alaska residency;
- committed any act inconsistent with Alaska residency, such as claiming residency in another state or voting as a resident of another state;
- registered as a resident in an educational institution in another state; or
- paid tuition at the University of Alaska at the Western Undergraduate Exchange program rate.

To prove physical presence, students must provide documentation of one of the following:

- student moved household goods to Alaska at least two years ago;
- student’s lease, rental or ownership of real property in Alaska for at least the prior two years;
- student’s permanent employment in Alaska for at least the prior two years; or
- other documentation of Alaska residency for the two prior years deemed satisfactory by the UAF Office of Admissions.

Students applying for resident tuition assessment must file a residency form with the Office of Admissions before the published end of the add/drop period for regular semester-length courses for the semester for which residency is sought. Failure to file and provide adequate proof of physical presence by this date will waive any claim that the student was eligible for resident tuition assessment for that semester or prior semesters unless otherwise determined by the Office of Admissions.

Residency criteria, as paraphrased above, are determined by UA Board of Regents residency policy and regulations found at http://www.alaska.edu/bor/policy/05-10.pdf. For more information and applications, students should contact the Office of Admissions (http://www.uaf.edu/admissions/).

HEALTH INSURANCE

Student health insurance is not mandatory at UAF except for international students studying in F-1 or J-1 immigration statuses. The university does not provide a student health insurance program except for international students and students who are contracted with the Graduate School as teaching or research assistants on stipends or who are receiving graduate fellowships. Students without insurance who are interested in obtaining a plan may visit www.uaf.edu/gradsch/ (https://www.uaf.edu/gradsch/) for more information on shopping for a policy.

International students in F-1 or J-1 status are required to enroll in either the UAF-sponsored insurance plan or in a plan of their choice which meets regulatory compliance rules. Students must provide documentation of enrollment to International Programs and Initiatives before the fee payment deadline each semester. Students who do not enroll in an insurance plan approved by International Programs and Initiatives by the appropriate semester deadline will be dropped from classes at UAF.

Contracted teaching and research assistants on stipends and those receiving graduate fellowships are automatically enrolled in the UAF-sponsored plan as part of their benefit package. More information on this plan can be found at www.uaf.edu/gradsch/ (https://www.uaf.edu/gradsch/).

The UAF-sponsored international student plan meets Department of State insurance requirements for exchange visitors in J-1 status. However, this plan is not compliant with the federal Affordable Care Act (ACA). If you have questions, contact International Programs and Initiatives. The graduate insurance plan is ACA-compliant but does not meet Department of State insurance requirements for exchange visitors in J-1 status.

LIBRARIES AND DIGITAL RESOURCES FEE

Cost: $5 per credit hour, to a maximum of $75 per semester

Who pays: All students enrolled in 3 credits or more at any UAF campus

What's covered: This fee will support students by providing library services such as research assistance and instruction, online/digital resources, subscriptions for databases and journals, and improvements to library materials/spaces (physical and virtual) used by students.

PARKING PERMIT

Cost: fall 2019/spring 2020, single vehicle, $51 for 8 or fewer credits; $88 for 9 or more credits; $153 annual permit. With any of these permit options, for an additional $10, two or more vehicles (up to a total of four) may be registered for the multivehicle option. The hang tag allows one vehicle to be parked on campus at a time. (Campus residents may not purchase the multivehicle option. Employees are not eligible to purchase parking permits at student rates.)

Costs are based on the combined total credit hour enrollment at UAF, Community and Technical College, eCampus, or any class held at a UAF location where credit is given through another location.

Who pays: Students who choose to park a vehicle at any on- or off-campus UA, UAF or Community and Technical College location are
required to have a parking permit or permit displayed on the vehicle at all times, including evenings.

**What’s covered:** Parking in permit-required and general use lots/spaces at any on- or off-campus UA, UAF or Community and Technical College location in Fairbanks.

**How to get your permit:** Request your permit through UAF’s online parking system at www.uaf.edu/bursar/parkingservices/ ([https://uaf.edu/bursar/parkingservices/](https://uaf.edu/bursar/parkingservices/)). Select the type of parking permit(s) needed, your delivery option and payment method. You may instantly print a two-week temporary permit you can use until your permit arrives in the mail or you pick it up. Permits can also be purchased and picked up at the Bursar’s Office in Signers’ Hall. Please bring your current vehicle registration with you to ensure correct information for your file.

**How to pay:** Complete your permit purchase at UAF’s online parking system at www.uaf.edu/bursar/parkingservices/ ([https://uaf.edu/bursar/parkingservices/](https://uaf.edu/bursar/parkingservices/)). Payment options are all major credit cards or ‘student account,’ if you have added parking to your student account.

It is the responsibility of all students parking a vehicle on any UAF property (on or off campus) to know UAF parking regulations, available online at www.uaf.edu/bursar/parkingservices/ ([https://uaf.edu/bursar/parkingservices/](https://uaf.edu/bursar/parkingservices/)). Please note that the payment due dates may vary if you are taking classes from multiple campuses. This includes room rent, meal plan costs, student activity fees, health fees and deposits. Any charges unpaid at the end of the previous semester are also due and must be paid before you can re-enroll. If you owe money to the university and submit an enrollment form and payment for the current semester, you will not be enrolled in your classes; instead, the payment will be applied toward your outstanding balance.

Other than tuition and fees, which are due according to every semester's payment schedule, any charges owed to the university are due within 30 days.

A $30 charge and a hold will be placed on your account if your check is returned. This will prevent you from registering, viewing grades, receiving transcripts and graduation activity.

**CONSEQUENCES OF NOT PAYING**

Failure to pay in full or make other payment arrangements by the fee payment deadline may result in cancellation of your class schedule. UAF may withhold transcripts, grades and other services, and cancel meal plans and housing if you do not pay your financial obligations. If the university takes such action, you will still be responsible for your account balance in full.

Registration may be withheld from any student who is delinquent in paying any amount due to the university. The registration process is not complete until the student has paid all fees and charges due. UAF may drop you from your courses after the fee payment deadline if you owe a balance to the university. A $100 reinstatement fee will be charged to re-enroll in any dropped courses.

**FAILURE TO MEET FINANCIAL OBLIGATIONS**

University policy requires a financial hold be placed on your student account if you fail to meet your financial obligations. The hold will prevent any registration, transcript or graduation activity.

Past due accounts will be sent to a collection agency. Interest, late fees and/or collection costs will be added to your account. Past due balances may be reported to a local credit bureau. The university is authorized to garnish Alaska Permanent Fund Dividends for payment of past due accounts.

**TUITION WAIVERS**

Note: Tuition waivers do not cover tuition surcharges.

- **Senior Citizen Tuition Waiver**
  
  UA Board of Regents policy waives regular tuition for Alaska residents at the age of eligibility for full Social Security retirement benefits. You are eligible to use the senior citizen tuition waiver and enroll in UAF courses if:
  - you are a permanent resident of Alaska;
  - you are age-eligible to receive full Social Security retirement benefits; and
  - there is space (i.e., no waitlist) in the class or classes you want.

If you are using a senior tuition waiver, you may not register until the first day of instruction of the semester. You must meet both age and residency requirements by one of the following dates to be eligible for the corresponding semester: Sept. 1 for fall; Jan. 1 for spring; May 1 for summer. Reimbursements will not be made to senior citizens who pay for a course and then request a waiver.

- **Employee Tuition Waiver**
  
  Employee tuition waivers pay only for tuition. Tuition waiver forms must be turned in by the fee payment deadline. The employee is responsible for all other fees. Employees who pay for a course and later become eligible for a waiver will not be reimbursed. Late fees and payment deadlines apply. More information is available at http://www.uaf.edu/bursar/.

**TUITION AND FEES**

Students who withdraw from courses or cancel enrollment must submit a completed official withdrawal form to the Office of the Registrar. UAF may fully or partially refund undergraduate, graduate and nonresident tuition and fees. The following conditions apply:

1. If UAF cancels a course, students' tuition and fees will be refunded in full.
2. If a student formally withdraws from a course, UAF will make refunds according to the date of the withdrawal.
   a. Students have until the third Friday of the semester to drop classes and receive a 100 percent refund. The parking decal fee will be refunded in full if the student returns the parking decal at the time of withdrawal.
   b. If a student withdraws from a class and adds another on the same day through the third Friday of the semester, UAF will exchange tuition.

**NOTE:** If the exchange is uneven — e.g., lower level to upper level, or 3 credits to 4 credits — tuition and any fees owed are due the same day.

EXCEPTION TO POLICY: APPEAL FOR REFUND OF TUITION

Appeals for refund of tuition are exceptions to policy and are only approved in events that are unanticipated and unavoidable. Approval is not automatic, and you need to provide documented evidence to support your request (physician’s note, letters of support from instructors, etc.). Acceptable unanticipated and unavoidable reasons may include:

1. death in immediate family;
2. serious illness or injury of student or immediate family member; and
3. factors outside of the student's control (e.g., fire, flood).

Work-related issues, personal hardships, changing your mind about college, poor academic performance, disciplinary withdrawal, not receiving expected financial assistance or failure to read UAF’s published documents are considered to be the result of personal choices and actions and will not be considered.

Appeals for refund of tuition must be submitted within 30 class days after the beginning of the next regular semester. Forms for an appeal for refund of tuition are available online at http://www.uaf.edu/bursar/forms/, through the Bursar’s Office in Signers’ Hall on the Fairbanks campus or at CTC. Once received, the appeal will be evaluated by a campuswide committee which will return a decision to the student. The decision of the committee is final, and a student who files a written appeal under these procedures shall be expected to abide by the final disposition of the review, as provided, and may not seek further appeal of the matter under any other procedure within the university. Submission of appeals and appropriate documentation after published deadlines will not be considered. Contact the Bursar’s Office for more information.

HOUSING

Students who move off campus or withdraw from the university will receive room refunds according to the schedule on their housing agreement.

REFUND PROCESSING

Financial aid will be disbursed to student accounts 10 days before the first day of class, and the Bursar’s Office will begin processing refunds at that time. Contact the Bursar’s Office for an advance if you need your funds for books and supplies. Refund processing is automatic for students who officially drop courses by the published refund deadlines. Remember to return parking permits if you drop during the 100 percent refund time.

All refunds are processed electronically or by mail. The Bursar’s Office does not issue refund checks for amounts less than $10. It is your responsibility to check your account and contact the Bursar’s Office to receive your refund as cash or to apply it to your PolarExpress card as a nonrefundable payment.

If you paid tuition and fees by credit card only, the card will be credited up to the amount charged.

If your tuition was paid through external sources such as financial aid, federal loans, scholarships or grants, you will receive your refund as a check sent to your mailing address of record or direct deposited in your bank account.

Once processed by the Bursar’s Office, direct deposit takes three to five business days to disburse to your bank account.

Your refund is subject to federal regulations. If you receive a refund due to dropped classes or a total withdrawal, you may no longer qualify to receive scholarships or financial aid. In that case, the funds may be returned to the lender or grantor pursuant to all applicable rules and regulations.

If you paid by cash or check, a refund check will be sent to your mailing address of record or direct deposited in your bank account. If you notify the Bursar’s Office that you have not received the check due to an incorrect address, a fee of $18.50 will be charged for all checks reissued due to a stop-pay request by the student. Please be sure we have your current mailing address.

If you paid your tuition and fees by check, refund processing will begin after your check has cleared the bank.

Any balance owed to the university will be deducted from your refund.

Students who drop during the 100 percent refund period and want to maintain health insurance coverage should contact the Student Health and Counseling Center at 907-474-7043.
