Tuition, Fees and Costs

Tuition

Tuition is determined by the number of credit hours in which the student is enrolled, the level of the courses and the student's residency status (see the 2024-2025 tuition table below).

- Undergraduate students are considered full-time at 12 or more credits.
- Graduate students are considered full-time at 9 or more credits.
- All nonresident Troth Yeddha’ and CTC students will pay the nonresident rate.

Resident and Nonresident Tuition

Students eligible for Alaska resident tuition generally include:

- an Alaska resident, defined as a person who is a U.S. citizen or eligible noncitizen who has been physically present in Alaska for at least the past 12 months;
- students who received a State of Alaska Permanent Fund Dividend within the last 12 months and can certify they have been in Alaska for the past 12 months;
- military personnel on active duty, their spouses and dependent children;
- members of the National Guard, their spouses and dependent children;
- veterans of the U.S. armed forces, and their dependents, who are eligible for Veterans Affairs educational benefits;
- dependent children of a person who graduated and holds an associate, bachelor’s, master’s or doctoral degree from the University of Alaska;
- dependent children of an Alaska resident as evidenced by the most current federal income tax return filed within the past 16 months;
- students participating in the Western Interstate Commission on Higher Education Western Regional Graduate Program;
- students from other states or provinces whose public universities waive nonresident tuition surcharges for Alaska residents, or who are from foreign cities and provinces with established Alaska sister city or sister province relationships;
- students designated by the UA Scholars Program as UA Scholars;
- participants of the University of Alaska College Savings Plan;
- spouse or dependent children of a University of Alaska employee; or
- students who graduated within the past 12 months from a qualified Alaska high school.

Students will be considered nonresident if, within 12 months prior to applying for residency they:

- were absent from Alaska for an aggregate of more than 90 days for other than documented absences due to illness or attendance at another educational institution while maintaining Alaska residency;
- committed any act inconsistent with Alaska residency, such as claiming residency in another state or voting as a resident of another state;
- registered as a resident in an educational institution in another state; or
- paid tuition at the University of Alaska at the Western Undergraduate Exchange program rate.

To prove physical presence, students must provide documentation of one of the following:

- student moved household goods to Alaska at least 12 months ago;
- student’s lease, rental or ownership of real property in Alaska for at least the prior 12 months;
- student’s permanent employment in Alaska for at least the prior 12 months; or
- other documentation of Alaska residency for the 12 months deemed satisfactory by the UAF Office of Admissions.

Students applying for resident tuition assessment must file a residency form with the Office of Admissions before the published end of the add/drop period for regular semester-length courses for the semester for which residency is sought. Failure to file and provide adequate proof of physical presence by this date will waive any claim that the student was eligible for resident tuition assessment for that semester or prior semesters unless otherwise determined by the Office of Admissions.

Residency criteria, as paraphrased above, are determined by UA Board of Regents residency policy and regulations (https://www.alaska.edu/bor/policy-regulations/chapter-05-10-tuition-student-fees.php). For more information and applications, students should contact the Office of Admissions (https://www.uaf.edu/admissions/).

The university may take such action, and the student will be responsible for the account balance in full. A $100 reinstatement fee will be charged to re-enroll in any dropped courses.

Failure to Meet Financial Obligations
University policy requires a financial hold to be placed on a student’s account if they fail to meet financial obligations. The hold will prevent any registration or graduation activity.

Past-due accounts will be sent to a collection agency. Interest, late fees and/or collection costs will be added to the student’s account. Past-due balances may be reported to a local credit bureau. The university is authorized to garnish Alaska Permanent Fund Dividends for payment of past-due accounts.

Refunds

Tuition and Fees
Students may drop courses in UAOnline or submit an add/drop form to the Office of the Registrar per published deadlines in the academic calendar (https://catalog.uaf.edu/calendar/). The following conditions apply:

- If UAF cancels a course, students’ tuition and fees will be refunded in full.
- Refund processing is automatic for students who officially drop courses by the refund deadlines.
- It is the responsibility of each student to review their course dates and be aware of the published refund deadlines for their particular courses.
- The first day of instruction for full-semester courses is the first day of instruction listed in the academic calendar.
- Full semester courses (fall and spring): 100% of tuition and course fees are automatically refunded when the drop is completed by the second Friday of the semester.
- Courses meeting at least four weeks but less than the full semester: Students may drop within five business days of the first class meeting (as listed in UAOnline) to receive a 100% refund of tuition and fees.
- Courses meeting less than four weeks: Students may drop on the first day the class meets (as listed in UAOnline).
- Summer courses: Please refer to the academic calendar (https://catalog.uaf.edu/calendar/) for summer registration and fee payment deadlines.

Refund Processing

Financial aid will start to be disbursed to student accounts 10 days before the first day of class, and the Bursar’s Office will begin processing refunds at that time. Submit an Advance of Funding (https://nextgensoo.com/sp/start3SSO.ping?PartnerId=urn:mace:incommon:alaska.edu&TargetResource=https%3a%2f%2fdynamicforms.ngwebsolutions.com%2fSubmit%2fStart %2f1d12a6-e512-f468-7b95-5197c5a0dd8) if funds are needed for books and supplies. Refund processing is automatic for students who officially drop courses by the published refund deadlines. Remember to return parking permits if dropped during the 100% refund time.

All refunds are processed electronically or by mail. The Bursar’s Office does not issue refund checks for amounts less than $10. It is the student’s responsibility to check their account and contact the Bursar’s Office to receive a refund as cash or to apply it to the student’s PolarExpress card as a nonrefundable payment.

If tuition and fees are paid for the semester by credit card, the credit card will be refunded (up to the amount paid). Any remaining credit balances will be refunded by check or direct deposit.

### Payments

**Tuition and Fees**

Students are not considered registered for any classes until all tuition and fees are paid or other payment arrangements have been made by the fee payment deadline. Please note that the payment due dates may vary if a student is taking classes from multiple campuses. This includes room rent, meal plan costs, student activity fees, health fees and deposits. Any charges unpaid at the end of the previous semester are also due and must be paid before they can re-enroll. If a student owes money to the university and submits an enrollment form and payment for the current semester, they will not be enrolled in the requested classes; instead, the payment will be applied toward the outstanding balance.

Other than tuition and fees, which are due according to every semester’s payment schedule, any charges owed to the university are due within 30 days.

A $30 charge and a hold will be placed on the account for returned checks. This will prevent a student from registering, viewing grades and graduation activities.

### Consequences of Not Paying

Failure to pay in full or make other payment arrangements by the fee payment deadline may result in the cancellation of a student’s class schedule. UAF may withhold grades and other services, and cancel meal plans and housing if financial obligations are unmet. If the university takes such action, the student will still be responsible for the account balance in full.

Registration may be withheld from any student who is delinquent in paying any amount due to the university. The registration process is not complete until the student has paid all fees and charges due. UAF may drop a student from courses after the fee payment deadline if a balance is owed to the university. A $100 reinstatement fee will be charged to re-enroll in any dropped courses.

**Note:** All fees are subject to change.

### Note

All fees are subject to change.
If tuition was paid through external sources such as financial aid, federal loans, scholarships or grants, refunds will be received as a check sent to the mailing address of record or direct deposited in the student's bank account.

Once processed by the Bursar's Office, direct deposit takes three to five business days to disburse to a bank account. Check refunds will take at least 10 business days to be received in the mail.

Refunds are subject to federal regulations. Refunds due to dropped classes or a total withdrawal may disqualify a student from receiving scholarships or financial aid. In that case, the funds may be returned to the lender or grantor pursuant to all applicable rules and regulations.

If paid by cash or check, a refund check will be sent to the mailing address of record or direct deposited in the student's bank account. If the Bursar's Office is notified that a check is not received due to an incorrect address, a fee of $18.50 will be charged for all checks reissued due to a stop-pay request by the student. Please be sure UAOnline reflects the current mailing address.

If tuition and fees were paid by check, refund processing will begin after all checks have cleared the bank.

**Any balance owed to the university will be deducted from the student's refund.**

Students who drop during the 100% refund period and want to maintain health insurance coverage should contact the Student Health and Counseling Center at 907-474-7043.

**Direct Deposit of Refunds**

Enrolling in direct deposit allows refunds to be electronically deposited into the student's bank account. It’s simple, safe and convenient. Enrollment is available through our secure self-service website. Sign up for direct deposit through UAOnline (https://uaonline.alaska.edu/) by following these steps:

- At the "Student Services & Accounting Information" menu select the "Direct Deposit Enrollment" link
- Select "1st time setup of direct deposit"
- Select the account type
- Enter the bank routing code
- Enter account number
- Re-enter account number
- Select "Submit"

**Exception to Policy: Appeal for Refund of Tuition**

Appeals for a refund of tuition are exceptions to policy and are only approved in events that are unanticipated and unavoidable. Approval is not automatic, and documented evidence needs to be provided to support requests (physician's note, letters of support from instructors, etc.). Acceptable unanticipated and unavoidable reasons may include:

- death in the immediate family;
- serious illness or injury of the student or immediate family member; and
- factors outside of the student's control (e.g., fire, flood).

Work-related issues, personal hardships, changing one's mind about college, poor academic performance, disciplinary withdrawal, not receiving expected financial assistance or failure to read UAF's published documents are considered to be the result of personal choices and actions and will not be considered.

Appeals for refund of tuition must be submitted within 30 class days after the beginning of the next regular semester. Forms for an appeal for refund of tuition are available online (https://www.uaf.edu/bursar/forms/), through the Bursar's Office in Signers' Hall on the Fairbanks campus or at CTC. Once received, the appeal will be evaluated by a campuswide committee which will return a decision to the student. The decision of the committee is final, and a student who files a written appeal under these procedures shall be expected to abide by the final disposition of the review, as provided, and may not seek further appeal of the matter under any other procedure within the university. Submission of appeals and appropriate documentation after published deadlines will not be considered. Contact the Bursar's Office for more information.

**Housing**

Students who move off campus or withdraw from the university will receive room refunds according to the schedule on their housing agreement.

Any refund of room charges will be based upon the housing agreement.

**Meals**

Please refer to the meal plan agreement for specific information about meal plan refunds.

**Tuition Waivers**

**Note:** Tuition waivers do not cover tuition surcharges.

**Senior Citizen Tuition Waiver**

UA Board of Regents policy waives regular tuition for Alaska residents at the age of eligibility for full Social Security retirement benefits. A student is eligible to use the senior citizen tuition waiver and enroll in UAF courses if:

- the student is a permanent resident of Alaska;
- the student is age-eligible to receive full Social Security retirement benefits; and
- there is space (i.e., no waitlist) in the class or classes desired.

If using a senior tuition waiver, a student may not register until the first day of instruction of the semester. Both age and residency requirements must be met by one of the following dates to be eligible for the corresponding semester: Sept. 1 for fall; Jan. 1 for spring; May 1 for summer. Reimbursements will not be made to senior citizens who pay for a course and then request a waiver.

**Employee Tuition Waiver**

Employee tuition waivers pay only for tuition. Tuition waiver forms must be turned in by the fee payment deadline. The employee is responsible for all other fees. Employees who pay for a course and later become eligible for a waiver will not be reimbursed. Late fees and payment deadlines apply. More information is available at the Bursar's Office website (https://www.uaf.edu/bursar/).

Tuition, Fees and Costs

classrooms and computing spaces, and expanding and improving online and self-service environments.

**Transportation and Related Infrastructure**
Covers a portion of the costs of operating shuttle buses that provide transportation throughout campus and to various university facilities off campus, street and lot maintenance, snow removal, lighting and plug-ins.

**UA Infrastructure Fee**
Cost: $18 per credit

Who pays: All students, including those enrolled in online or distance education courses.

What's covered: The UA infrastructure fee is assessed to all students to address the capital investment for university facilities and infrastructure. This includes, but is not limited to, academic equipment, capital refresh, and support. It also covers rapidly rising costs in the maintenance and enhancement of university-wide technology infrastructure. The infrastructure supports physical and virtual operations, maintenance, and construction that modernize university facilities, student living and learning spaces, and technology systems that enhance the university-wide academic experience.

**UAF Bookstore Bundle Fee**
Cost: $20 per credit

Who pays: All students, including those enrolled in online or distance education courses.

What's covered: UAF Bookstore Bundle is a course materials fulfillment program that ensures students have their required course materials on the first day of class. Administered by Barnes & Noble College in partnership with UAF, the program provides all required textbooks, lab manuals, access codes, and digital textbook versions to students.

Each semester, students will pay a flat rate of $20 per credit to cover the total cost of all REQUIRED materials for all of their classes for the semester. The program provides the delivery of required texts on or before the first day of class. Textbooks are issued on a rental basis, and must either be returned or purchased outright at the end of the term. (E-book subscriptions will automatically expire. No return is needed.) The charge does NOT cover “recommended” texts or consumable class supplies (goggles, kits, calculators etc.).

NOTE: By default, ALL registered students are opted-in to the program each new semester. Students may opt out of the program for the semester at their discretion and purchase their materials a la carte through the UAF Bookstore or on the open market.

For more information, please contact the UAF Bookstore at sm8514@BNCOLlege.com or visit the Bookstore's website (https://www.uaf.edu/books/).

**UAF Matriculation Fee**
Cost: $225

Who pays: Newly admitted degree-seeking students.

What's covered: The Matriculation Fee is a one-time fee charged to newly admitted students upon enrollment. This one-time assessment was developed to reduce the number of enrollment and graduation-related fees charged to a student. The fees are also used to support academic programming for orientation and other transformative experiences.

**Course Fees**
Cost: Varies

Who pays: Students enrolled in courses with special fees. See the class schedule for individual classes.

What's covered: Some courses require special equipment, supplies, or services and charge a materials fee in addition to tuition.

**Health Insurance**
Student health insurance is not mandatory at UAF except for international students studying in F-1 or J-1 immigration statuses. The university does not provide a student health insurance program except for international students and students who are contracted with the Graduate School as teaching or research assistants on stipends or who are receiving graduate fellowships. Students without insurance who would like to obtain a plan may visit the Student Health and Counseling Center website (https://www.uaf.edu/cht/) for more information on shopping for a policy.

International students in F-1 or J-1 status are required to enroll in either the UAF-sponsored insurance plan or in a plan of their choice that meets regulatory compliance rules. Students must provide documentation of enrollment to International Programs and Initiatives before the fee payment deadline each semester. Students who do not enroll in an insurance plan approved by International Programs and Initiatives by the appropriate semester deadline will be dropped from classes at UAF.

Contracted teaching and research assistants on stipends and those receiving graduate fellowships are automatically enrolled in the UAF-sponsored plan as part of their benefits package. More information on this plan can be found at the Graduate School's website (https://www.uaf.edu/gradsch/).

The UAF-sponsored international student plan meets the Department of State insurance requirements for exchange visitors in J-1 status. However, this plan is not compliant with the federal Affordable Care Act (ACA). Contact International Programs and Initiatives with any questions. The graduate insurance plan is ACA-compliant but does not meet the Department of State insurance requirements for exchange visitors in J-1 status.

**Student Parking Permit**
Semester Permit Cost: $61 for Part-time students (eight or fewer credits; student workers do not qualify); $106 for nine or more credits

Annual Permit Cost: $184 annual permit.

Costs are based on the combined total credit hour enrollment at UAF, Community and Technical College, eCampus, or any class held at a UAF location where credit is given through another location.

Who pays: All Students parking a vehicle on UAF property, including off-campus sites.

What's covered: Parking in permit-required and general-use lots and spaces at any on- or off-campus UA, UAF, or Community and Technical College location in Fairbanks.
How to get a permit: Request a permit through UAF’s online parking system (https://uaf.edu/bursar/parkingservices/). Select the type of parking permit(s) needed, the delivery option and the payment method. A two-week temporary permit can immediately be printed to use until the permit arrives in the mail or is picked up. Permits can also be purchased and picked up at the Bursar’s Office in Signers’ Hall. Please bring a current vehicle registration to ensure the correct information for the file. Debit and credit card payments will no longer be accepted in person or over the phone at the Bursar’s Office. In-person, please pay with either cash or check, or have the charge added to the student’s Banner account.

How to pay: Complete the permit purchase at UAF’s online parking system (https://uaf.edu/bursar/parkingservices/). Payment options are all major credit cards or “student account,” if parking has been added to the student account.

It is the responsibility of all students parking a vehicle on any UAF property (on or off campus) to know UAF parking regulations (https://uaf.edu/bursar/parkingservices/). For more information, call 907-774-7384 or email uaf-bursar@alaska.edu.
