**LPN F182  Licensed Practical Nurse Skills III**
2 Credits
Offered Fall and Summer
Students will incorporate previously learned skills to form a comprehensive and appropriate approach to patient care within the LPN scope of practice. While demonstrating previously learned skills, students will be taught how to incorporate delegation and leadership into clinical scenarios for a well-rounded practice.

**Prerequisites:** LPN F140; LPN F142; LPN F160; LPN F248.
**Co-requisites:** LPN F180.
**Lecture + Lab + Other:** 0 + 8 + 0
**Grading System:** Pass/Fail Grades

**LPN F190  Licensed Practical Nurse Clinical III**
3 Credits
Offered Fall and Summer
Provides hands-on experience in a healthcare facility. Students will be expected to perform skills and procedures learned in LPN F102 and LPN F142 and within the scope of LPN practice. Additional time is required for meetings with the instructor. Students do not receive compensation for clinical experiences.

**Prerequisites:** LPN F180; LPN F182 (both may be taken concurrently).
**Lecture + Lab + Other:** 0 + 0 + 15
**Grading System:** Pass/Fail Grades

**LPN F248  Pharmacology for the Licensed Practical Nurse**
3 Credits
Offered Fall and Summer
Introduction to the use of therapeutic medications in medical settings. Includes classifications of drugs, pharmacodynamics, clinical applications and adverse effects of the most commonly prescribed medications. Practical concepts including dosage forms and routes of administration are presented utilizing a body system approach.

**Prerequisites:** HLTH F100 or MA F100; BIOL F100X, HLTH F114 or MA F114.
**Co-requisites:** LPN F140; LPN F142; LPN F160.
**Lecture + Lab + Other:** 4 + 0 + 0
**Grading System:** Letter Grades with option of Plus/Minus
