## Occupational Endorsement

The facility maintenance program trains participants in dealing with challenges unique to rural Alaska structures. Training consists of identifying, troubleshooting and customizing solutions to a building or home, learning the importance of working with community advocates, tracking and analyzing past maintenance trends, and developing strategies for future maintenance needs. Applicants must be 16 years old to be admitted.

Complete the following admissions requirement:

- Be at least 16 years old by the first day of the semester in which you are admitted.

### Minimum Requirements for Occupational Endorsement: 12 credits

Students must earn a C- grade or better in each course.
