

TRANSFERRING CREDITS

Overview and Alternate Ways to Earn Credit

Credit accepted at UAF that has been earned from other regionally accredited institutions, earned through military educational experiences or accepted by special approval is considered transfer credit. Where possible, transfer credit is equated with UAF courses. See the Table of GER Substitutions (p. 2): UA System (p. 2) for a list of substitutions within the University of Alaska system and the Table of GER Substitutions: Non-UA Institutions (p. 1) for substitutions from non-UA institutions.

UAF's transfer credit resource website (https://uaonline.alaska.edu/banprod/owa/bwsk2tcr.P_Tcs_Selmau/) shows most courses previously evaluated by UAF and is an unofficial reference for undergraduate students who are considering transferring to UAF. An official evaluation of transfer credits will be provided after formal application and admission to a degree program at UAF.

International transfer students, please refer to the admissions requirements for international students (<https://catalog.uaf.edu/getting-started/admission-international-students/>) to ensure your previous coursework is transferred correctly.

Alternate Ways to Earn Credit

For other options for earning credit, including UAF Advanced Placement Testing, Credit for Prior Learning, UAF Credit by Exam & Competency Testing, College-level Examination Program (CLEP), College Board Advanced Placement Exams (AP), International Baccalaureate (IB), Credit for Language Testing and Dantes Standardized Subject Tests (DSST), see the Alternate Ways to Earn Credit (p. 5) section.

Regulations

The following regulations apply to transfer of credit:

1. Students are eligible for transfer of credit when they have been admitted to an undergraduate degree or certificate program.
2. The applicability of transfer credit to a student's major and/or minor requirements is subject to approval by the major and/or minor department. Transfer students must fulfill the UAF graduation and residency requirements, including those specific to their programs.
3. Undergraduate credits earned at the 100 level or above with a C-grade or higher at institutions accredited by one of the six regional accrediting agencies will be considered for transfer. Transfer credit is not granted for courses with doctrinal religious content or for graduate courses (for undergraduate programs).
 - **Note:** For information about transferring graduate credits to meet graduate program requirements, contact the Graduate School at uaf-grad-school@alaska.edu or 907-474-7464.
4. Transfer credit is awarded for courses in which the student received grades of C- or better. Instructor permission may be required for purposes of registration if the transfer credit courses have not satisfied the prerequisite requirements.
5. Any student who has completed a bachelor's degree from a regionally accredited institution will be considered to have completed the equivalent of the baccalaureate general education requirements, the Associate of Arts general education requirements and the Associate of Science general education requirements when officially accepted to a bachelor's, Associate of Arts or Associate of Science program at

UAF. These students will also be considered to have completed the communication, computation and human relations requirements for the Associate of Applied Science and the certificate.

6. Any student who has completed an Associate of Arts or an Associate of Science degree from a regionally accredited institution will be considered to have satisfied the 100- and 200-level UAF general education requirements.
7. Any transfer student from a regionally accredited institution who has completed an associate degree specifically developed for transfer and is listed as such in the transferring institution's catalog and has completed at least 26 general education semester credit or 39 general education quarter credit requirements as part of the curriculum for the associate's degree at their previous institution(s) will be considered to have satisfied the UAF general education requirements.
8. Any transfer student who has completed the baccalaureate general education requirements at any regionally accredited institution will be considered to have completed the baccalaureate general education requirements at UAF. The student is responsible for providing an official statement and documentation certifying general education requirements completion at the previous institution.
9. Transfer credit is not included in the computation of the UAF GPA.
10. Class standing (e.g., freshman, sophomore) is based on the number of college credits accepted in transfer by UAF, combined with any courses completed in residence at UAF.
11. A student will be awarded credit for currently valid government and professional certifications that have been reviewed and approved for designated course equivalencies at UAF. A list of these programs (https://docs.google.com/spreadsheets/d/1SePj2xAeyrq58I9_Qbk913i-vPRbeW7KEPu0jwAwyll/edit?usp=sharing) is available in the Office of Admissions.
12. Credit may also be awarded for satisfactory completion of training programs, based on recommendations of the American Council on Education. ACE college credit recommendations can be found online (<http://www2.acenet.edu/credit/?fuseaction=search.main>). The award of credit is subject to review and approval of appropriate UAF faculty.

Military Credit

Credits may be awarded for formal service schooling and military occupational specialties (MOS) based on recommendations published by the American Council on Education. ACE military credit recommendations can be found online (<http://www.acenet.edu/news-room/Pages/Military-Guide-Online.aspx>). Credit completed through the Community College of the Air Force or Department of Defense courses is included in the category of military experience.

Non-University of Alaska GER Substitutions

TABLE OF GER SUBSTITUTIONS: NON-UNIVERSITY OF ALASKA INSTITUTIONS

This table describes courses accepted by transfer to UAF from institutions outside the University of Alaska system that may substitute for UAF's general education requirements. Students transferring from either UAA or UAS should consult Table of GER Substitutions: UA System (p. 1), or visit the Transfer to UAF webpage (<https://www.uaf.edu/admissions/apply/transfer.php>).

UAF General Education Courses	Transfer Courses
WRMG F111X	the required first-semester composition course at the 100 level (must be basic freshman composition and not developmental)
WRMG F211X, WRMG F212X, WRMG F213X or WRMG F214X	the second half of the introductory composition series at the 100 level or above
COJO F121X, COJO F131X or COJO F141X	a 100-level or above performance course in fundamentals of speech communication, public speaking or small group communication
Arts (3 credits)	an introductory course in the arts
Humanities (3-5 credits)	an introductory course in the humanities
Social Sciences (6 credits)	introductory courses in different social sciences disciplines
Additional Arts/Humanities/Social Sciences (3-5 credits)	see Arts, Humanities, Social Sciences above
MATH F113X, MATH F122X, MATH F151X, MATH F152X or MATH F156X or;	a 100-level or above mathematics course having a prerequisite of at least two years of high school algebra
MATH F230X, MATH F251X, MATH F252X, MATH F253X or STAT F200X	a calculus or statistics course at the 100 level or above
Natural Sciences (8 credits)	courses in basic natural sciences (biology, chemistry, earth sciences, physics) with labs, at the 100 level or above. Non-lab courses are transferable only as a second natural science course. To fulfill general education requirements, a transfer student must complete two lab courses or two labs. Transfer of credit for courses in a natural science other than those listed requires approval of the dean of the College of Natural Science and Mathematics.

University of Alaska GER Substitutions TRANSFERRING CREDITS WITHIN THE UNIVERSITY OF ALASKA SYSTEM

In general, undergraduate credits earned at the 100 level or above at a University of Alaska institution will transfer to UAF. In addition, to serve students who transfer among the three institutions that make up the University of Alaska system, UAF, UAA and UAS have identified fully transferable general education requirements for baccalaureate degrees.

Credit for course work successfully completed at one UA institution which applies to general education requirements will fulfill the same categories at all other UA institutions. This applies even if there is no directly matching course work at the institution to which the student transfers.

Transfer students from UAA or UAS who have completed all general education requirements in the baccalaureate program before transferring to UAF will have completed all requirements for the UAF baccalaureate general education requirements. Courses taken to complete the baccalaureate general education requirements at UAA or UAS will meet UAF baccalaureate general education requirements according to the current Table of GER Substitutions: UA System (p. 2). Students should notify the UAF Office of Admissions if they completed the general education requirements at UAA or UAS prior to enrollment in a major program of study at UAF.

In accordance with UA Board of Regents policy, completion of the 38-44 credits of the UAF general education requirements meets the general education requirements at UAA and UAS.

For more information about transfer credit visit the Transfer to UAF website (<https://www.uaf.edu/admissions/apply/transfer.php>).

TABLE OF GER SUBSTITUTIONS: UA SYSTEM

Use this course substitution table to determine how individual courses that meet UAA or UAS general education requirements may substitute for individual UAF general education requirements. This table applies only to courses taken within the University of Alaska system. Students transferring courses from outside the UA system should consult Table of Substitutions: Non-UA Institutions (p. 1) or visit the Transfer to UAF webpage (<https://www.uaf.edu/admissions/apply/transfer.php>).

Alaska Native-Themed Substitutions: UA System

If a student has satisfied the Alaska Native-themed requirement at either University of Alaska Anchorage or University of Alaska Southeast, that course will be used to satisfy the Alaska Native-themed requirement at UAF.

- Credit for Language Testing
- Dantes Standardized Subject Tests (DSST)

For any of the following exam options, grades are not computed in the UAF GPA. Credit received for exams is not considered UAF residence credit and is not considered to be part of the semester course load for classification as a full-time student. Credit is awarded to current or previously enrolled degree students at UAF. Rules that apply to transfer courses (including the tables of substitutions) also apply to course credit received through a national exam. The credit for national exam options are briefly outlined here.

Alternate Ways to Earn Credit

Alternate Ways to Earn Credit

EXAM SERVICES

As a national test center, UAF eCampus Exam Services administers paper-and-pencil and computer-based exams. The office advises UAF students, prospective students and the community on national testing matters for college admissions and placement and for career and professional certification. eCampus Exam Services also coordinates credit by examination for local tests and for the College-Level Examination Program (CLEP). The office also does private proctoring. For more information and registration materials, contact eCampus Exam Services (<https://ecampus.uaf.edu/testing-services/>), 122 Bunnell Building, 907-455-2060, or uaf-testing@alaska.edu.

All exams from the exam services listed above will be awarded credit. Departments may review exams for direct equivalencies. If no equivalencies are determined, students will receive elective credit for successful completion, as determined under each exam section. Courses may be added as General Education Requirements (GER) based on exam documentation per the professional judgment of the Office of Admissions.

CREDIT FOR NATIONAL EXAMS

There are several ways to earn college credit by receiving a passing score on a national exam. UAF currently accepts the following exams:

- College-level Examination Program (CLEP)
- College Board Advanced Placement Exams (AP)
- International Baccalaureate (IB)

UAF Advanced Placement Credit

- **English**

Students with ACT or SAT scores that place them in WRTG F211X, WRTG F212X, WRTG F213X or WRTG F214X (see Writing Placement Scores (<http://catalog.uaf.edu/getting-started/courseplacement/>) table) may receive local advanced placement credit for WRTG F111X upon completion of WRTG F211X, WRTG F212X, WRTG F213X or WRTG F214X with a grade of C or better.

Students who have received transfer credit that substitutes for WRTG F211X, WRTG F212X, WRTG F213X or WRTG F214X with a grade of C or better and who meet the ACT or SAT test score requirement may also receive credit for WRTG F111X.

To receive this credit, students must submit the Application for WRTG F111X Credit form to the Office of the Registrar. The form is available at the Office of the Registrar or the English Department.

- **Alaska Native Language**

After completing a course in which the student was placed (above 101) and earning a B grade or higher, the student may ask to receive credit for the two immediately preceding prerequisite courses, if any. However, credit cannot be awarded for such courses if university credit has already been granted. Credit will not be awarded for special topics courses, individual study courses, literature or culture courses, conversation courses, or any course taught in English.

Credit for Prior Learning

The Academic Advising Center administers the credit for prior learning program, wherein students may earn undergraduate credit based on university-level learning they have obtained outside the classroom. Students can document the university-level learning they have gained through employment, volunteer service or other life experiences with a portfolio or copies of licenses and certificates earned. Certificate, associate or bachelor's degree students may earn up to 25 percent of total program requirements through the credit for prior learning program.

Credentials for admitted degree students who are currently enrolled are reviewed by faculty from participating departments who determine if this process is appropriate and make recommendations for awarding prior learning credit. Review is based on equivalency to courses listed in this catalog. Credit received for prior learning does not affect your GPA and is not considered residence credit. The university will award transfer credit for specified national and state authorizations, certificates, credentials and/or examinations (see Transferring Credits (p. 1)) that do not need credit for prior learning review. For further information or assistance, contact the Academic Advising Center, 510 Gruening Building, 907-474-6396 or uaf.advising@alaska.edu. The credit for prior learning student handbook is available in a pdf format (<https://uaf.edu/advising/files/cpl/CPL-Handbook-2016.pdf>).

UAF Credit by Exam

Credit by exam can be earned at UAF by students who are currently enrolled. It is up to the discretion of the department to decide which courses are available for credit by exam, the testing method and grading procedures (excluding those courses ending -90 through -99). Credit by exam may not duplicate a course for which credit has already been granted or in which the student is currently enrolled. Credit by exam may not be requested for audited courses until one year has passed since the end of the semester in which the course was audited.

There is a \$40 per credit hour non-refundable fee that will be placed on the student's account when the form is processed by the Office of the Registrar.

The credit by examination form is available on the Office of the Registrar forms page (<https://www.uaf.edu/reg/forms.php>). For more information on credit by exam, contact the Office of the Registrar.

UAF COMPETENCY TESTING

Students with appropriate background experience may complete certain components of the UAF general education requirements via competency testing. Credit by exam is not available.

- **Library Competency Exam**

The Library Competency Exam, administered by UAF eCampus Exam Services, is offered to fulfill the bachelors' degree requirement for LS F101X. The LCE, offered daily in eCampus Exam Services for \$30, is designed to test or verify a student's knowledge of standard library functions, services and organization. While no credit is awarded for passing this exam, a score of at least 70 percent will fulfill the bachelors' degree requirements for LS F101X. Please contact eCampus Exam Services at 907-455-2060, uaf-testing@alaska.edu or 122 Bunnell Building for more information.

- **Computer Skills Placement Exam**

The Computer Skills Placement Exam, administered by UAF eCampus Exam Services, is offered to fulfill the degree requirement for AIS F101, required by students seeking a B.B.A. or B.A.M. degree at UAF. The CSP, offered daily in eCampus Exam Services for \$30, is designed to test or verify a student's knowledge of information technology and file management procedures; word processing (Word), spreadsheets (Excel), databases (Access) and presentation (PowerPoint) software; and information and communication skills. While no credit is awarded for passing this exam, a score of at least 70 percent will fulfill the degree requirement for AIS F101. Please contact eCampus Exam Services at 907-455-2060, uaf-testing@alaska.edu or 122 Bunnell Building for more information.

- **Oral Communication Competency Exam**

Requests for competency testing for COJO F141X will be considered only if, in the opinion of a member of the Communication and Journalism Department faculty, a student presents evidence of substantive prior experience in formal public speaking situations (competency testing is not available for COJO F131X). Neither prior oral intensive course work nor COJO F432 is considered evidence of substantive prior experience. If the prior experience is sufficient, the individual will be asked either: a) to provide a video (not audio) recording of a formal public speaking presentation at least 10 minutes in length, or b) to present a 10-minute persuasive speech before a live audience, with at least one member of the Communication and Journalism Department faculty present. This process may be attempted only once. The date for live speeches will be established each semester, at a single time during the fourth to

sixth week of classes. While no credit is awarded for passing this exam, a grade of at least a B (3.0) for either type of presentation will fulfill the general education requirements for COJO F141X. For more information and an application for competency testing, contact eCampus Exam Services at 907-455-2060, 122 Bunnell Building, or the Department of Communication and Journalism at 907-474-7761 or 101 Bunnell Building.

College-Level Examination Program (CLEP)

- The College-Level Examination Program (CLEP) is a national testing program that awards college credit for some introductory courses. The exams cost \$120 each (cost subject to change) and are administered by appointment only.

See a list of CLEP general and subject exams approved for credit at UAF below. To register for a CLEP exam or for more information, contact UAF eCampus Exam Services at 907-455-2060 or uaf-testing@alaska.edu. The following criteria apply to CLEP exams:

- Students can earn up to 6 semester credits upon successful completion of a general CLEP exam in the discipline of college mathematics, humanities, natural sciences or social sciences/history. Students who have earned less than 6 credits in the discipline (or 3 credits for mathematics), from any source, will be awarded the difference in credits upon successful completion of the exam. Students who already have 6 or more credits in the discipline (or 3 credits for mathematics) will not receive credit for the exam. General CLEP exams previously evaluated by departments are listed in bold font in the CLEP Exams Currently Evaluated table.
- All CLEP exams are approved for credit. Departments may review exams to determine whether or not the exam is a direct equivalent to a current UAF course. If the exam is not a direct equivalent to a current UAF course, the exam will transfer in as an elective and can be counted towards GER at the discretion of the Office of Admissions. All exams that were previously evaluated for a direct equivalent are listed below. Please refer to the Transfer Credit website (<https://uaf.edu/reg/transfer-credit.php>) for the most recent equivalencies posted.
- Students may not duplicate a course for which credit has already been earned or in which the student is currently enrolled.
- Students must wait at least one year after the end of an audited course before taking the CLEP subject exam for that course.
- The minimum passing score for approved CLEP exams is 50, with the exception of the following foreign languages scores: **French** semester I and II minimum 50, semesters III and IV minimum 59; **German** semester I minimum 39, semester II minimum 50, semester III minimum 55, semester IV minimum 60; **Spanish** semester I minimum 39, semester II minimum 50, semester III minimum 57, semester IV minimum 63.

The Table of GER Substitutions: Non-UA Institutions (p. 1) guidelines determine which courses may meet general education requirements.

Must have a minimum score of 50 in order to receive UAF credit, with the exception of foreign language exams (p. 7), where score determines the number of credits awarded.

College Board Advanced Placement Exams (AP)

UAF grants advanced credit for exam results of 3 or higher, or a score of 4 or 5 (effective fall 2016) for Calculus AB or BC, on the College Board (CEEB) Advanced Placement Tests (see the College Board Advanced Placement (AP) Exams Currently Accepted table below). These exams are usually taken during the junior or senior year in high school.

To receive CEEB advanced placement credit, ask that an official report of the exam results be sent to the Office of Admissions from the College Board. Credits may be earned for more than one advanced placement exam.

International Baccalaureate

The International Baccalaureate Diploma Program is a two-year curriculum for students ages 16 to 19 and is similar to the final year of secondary school in some countries in Europe. UAF grants advanced credit, with a waiver of fees, for IB higher-level and some standard-level exams on which students have earned a score of 4 or higher, or a score of 5 or higher for mathematics (see the International Baccalaureate Exams Currently Accepted table below). To receive IB credit, students should submit an official copy of their IB exam results to the Office of Admissions.

² Can be used to meet the social sciences general education requirements.

³ Can be used to meet the arts general education requirement.

X = Course meets general education requirement.

The Table of GER Substitutions: Non-UA Institutions (p.) guidelines determine which courses may meet general education requirements.

If an international baccalaureate exam is not in this table, contact the Office of Admissions at uaf-admissions@alaska.edu for more information.

Must have a minimum score of 4 (or a score of 5 in mathematics) to receive UAF credit.

Credit for Language Testing

UAF accepts successful test results from Brigham Young University or other national testing programs (subject to approval from the Department of Foreign Languages and Literatures) in languages for which no CLEP test is available, for a maximum of 12 credits. The first 10 credits may be applied to the general education Humanities and/or Additional Arts/Humanities, Social Sciences requirement, and any additional credits will be awarded general humanities elective credit. Results must be submitted directly to the Office of Admissions by the testing agency. For more information on foreign language testing opportunities, contact UAF eCampus Exam Services at 907-455-2060 or uaf-testing@alaska.edu.

Students who are speakers of non-English languages transferring from foreign partner universities to UAF are exempted from taking a foreign language test to demonstrate fluency in that language. Complete the language exemption/GER credit waiver form and file it with the Office of the Admissions. Upon approval, 3 credits of general education humanities and/or 3 credits of additional arts/humanities/social sciences general education requirements will be waived. This applies only to students participating in formalized articulation agreements established between UAF and partner institutions.

Dantes Standardized Subject Tests

Dantes Standardized Subject Tests (DSST), a national program, offers exams in traditional academic, vocational/technical and business subject areas. Credit is awarded for successfully completing the tests, as recommended by the American Council on Education. All DSST exams are approved for credit. Departments may review exams to determine whether or not the exam is a direct equivalent to a current UAF course. If the exam is not a direct equivalent to a current UAF course, the exam will transfer in as an elective and can be counted towards GER at the discretion of the Office of Admissions. DSST exams cost \$120 each (cost subject to change). Contact UAF eCampus Exam Services at 907-455-2060 or uaf-testing@alaska.edu about the availability of DSST testing.

A list of DSST exams that are currently approved for transfer can be found here (https://docs.google.com/spreadsheets/d/1SRP5-LZr3CEg8cNHunt-tv6nxD7jMsF__pHa0eZh3wg/edit/?usp=sharing).
