TRANSFERRING CREDITS

Credit accepted at UAF that has been earned from other regionally accredited institutions, through military educational experiences, or credit accepted by special approval is considered transfer credit. Where possible, transfer credit is equated with UAF courses. See the Table of GER Substitutions (p. 2): UA System (p. 2) for a list of substitutions within the University of Alaska system and the Table of GER Substitutions: Non-UA Institutions (p. 1) for substitutions from non-UA institutions.

UAF's transfer credit resource website (https://uaonline.alaska.edu/banprod/owa/bwsk2trcr.P_Tcs_Selmau) shows most courses previously evaluated by UAF and is an unofficial reference for undergraduate students who are considering transferring to UAF. An official evaluation of transfer credits will be provided after formal application and admission to a degree program at UAF.

The following regulations apply to transfer of credit:

1. Students are eligible for transfer of credit when they have been admitted to an undergraduate degree or certificate program.
2. The applicability of transfer credit to a student's major and/or minor requirements is subject to approval by the major and/or minor department. Transfer students must fulfill the UAF graduation and residency requirements, including those specific to their programs.
3. Undergraduate credits earned at the 100 level or above with a C- grade or higher at institutions accredited by one of the six regional accrediting agencies will be considered for transfer. Transfer credit is not granted for courses with doctrinal religious content or for graduate courses (for undergraduate programs).
   **Note:** For information about transferring graduate credits to meet graduate program requirements, see Transfer Credit (http://catalog.uaf.edu/graduate/#transfer_credit) under How to Earn a Graduate Degree or contact the Graduate School at uaf-grad-school@alaska.edu or 907-474-7464.
4. Transfer credit is awarded for courses in which the student received grades of C- or better. Instructor permission may be required for purposes of registration if the transfer credit courses have not satisfied the prerequisite requirements.
5. Any student who has completed a bachelor's degree from a regionally accredited institution will be considered to have completed the equivalent of the baccalaureate general education requirements, the Associate of Arts general education requirements and the Associate of Science general education requirements when officially accepted to a bachelor's, Associate of Arts or Associate of Science program at UAF. These students will also be considered to have completed the communication, computation and human relations requirements for the Associate of Applied Science and the certificate.
6. Any student who has completed an Associate of Arts or an Associate of Science degree from a regionally accredited institution will be considered to have satisfied the 100- and 200-level UAF general education requirements.
7. Any transfer student from a regionally accredited institution who has completed an associate degree specifically developed for transfer to a four-year institution will be considered to have satisfied the UAF general education requirements.
8. Any transfer student who has completed the baccalaureate general education requirements at any regionally accredited four-year institution will be considered to have completed the baccalaureate general education requirements at UAF. The student is responsible for providing an official statement and documentation certifying general education requirements completion at the previous institution.
9. Transfer credit is not included in computation of the UAF GPA except to determine eligibility for graduation with honors.
10. Class standing (e.g., freshman, sophomore) is based on the number of college credits accepted in transfer by UAF, combined with any courses completed in residence at UAF.
11. Credits may be awarded for formal service schooling and military occupational specialities (MOS) based on recommendations published by the American Council on Education. ACE military credit recommendations can be found at http://www.acenet.edu/news-room/Pages/Military-Guide-Online.aspx. Credit completed through the Community College of the Air Force or Department of Defense courses is included in the category of military experience.
12. A student will be awarded credit for currently valid government and professional certifications that have been reviewed and approved for designated course equivalencies at UAF. A list of these programs is available in the Office of the Registrar.
13. Credit may also be awarded for satisfactory completion of training programs, based on recommendations of the American Council on Education. ACE college credit recommendations can be found at http://www2.acenet.edu/credit/?fuseaction=search.main. The award of credit is subject to review and approval of appropriate UAF faculty.

### Table of GER Substitutions: Non-UA Institutions

This table describes courses accepted by transfer to UAF from institutions outside the University of Alaska system that may substitute for UAF's general education requirements. Students transferring from either UAA or UAS should consult Table of GER Substitutions: UA System (p. 2), or visit https://www.uaf.edu/admissions/apply/transfer.

Transferring Credits within the UA System

In general, undergraduate credits earned at the 100 level or above at a University of Alaska institution will transfer to UAF. In addition, in order to serve students who transfer among the three institutions that make up the University of Alaska system, UAF, UAA and UAS have identified fully transferable general education requirements for baccalaureate degrees.

Credit for course work successfully completed at one UA institution which applies to general education requirements will fulfill the same categories at all other UA institutions. This applies even if there is no directly matching course work at the institution to which the student transfers.

Transfer students from UAA or UAS who have completed all general education requirements in the baccalaureate program before transferring to UAF will have completed all requirements for the UAF baccalaureate general education requirements. Courses taken to complete the baccalaureate general education requirements at UAA or UAS will meet UAF baccalaureate general education requirements according to the current Table of GER Substitutions: UA System (p. 2). Students should notify the UAF Office of the Registrar if they completed the general education requirements at UAA or UAS prior to enrollment in a major program of study at UAF.

In accordance with UA Board of Regents policy, completion of the 38-44 credits of the UAF general education requirements meets the general education requirements at UAA and UAS.

For more information about transfer credit visit https://www.uaf.edu/admissions/apply/transfer.

Table of GER Substitutions: UA System

Use this course substitution table to determine how individual courses that meet UAA or UAS general education requirements may substitute for individual UAF general education requirements. This table applies only to courses taken within the University of Alaska system. Students transferring courses from outside the UA system should consult Table of Substitutions: Non-UA Institutions (p. 1) or visit https://www.uaf.edu/admissions/apply/transfer.
Complete two courses in two different disciplines from the following:

- MATH F251X, A200, STAT A253, STAT
- MATH F252X, A307
- MATH F253X, STAT F200X

**NATURAL SCIENCES (8 cr)**

Complete two of the following:
on a national exam. For any of the following exam options, grades are not
computed in the UAF GPA. Credit received for exams is not considered
UAF residence credit and is not considered to be part of the semester
course load for classification as a full-time student. Credit is awarded to
current or previously enrolled degree students at UAF. Rules that apply
to transfer courses (including the tables of substitutions) also apply to

course credit received through a national exam. The credit for national
exam options are briefly outlined here.

- **College-level Examination Program**
  CLEP is a national testing program that awards college credit for
  some introductory courses. The exams cost $120 each (cost subject
to change) and are administered by appointment only.
  See a list of College-Level Examination Program (CLEP) general
  and subject exams approved for credit at UAF (p. 5) in the
  table below. To register for a CLEP exam or for more information,
  contact UAF Testing Services at 907-474-5270 or uaf-testingdept@alaska.edu. The following criteria apply to CLEP exams:

  1. Students can earn up to 6 semester credits upon successful
     completion of a General CLEP exam in the discipline of college
     mathematics, humanities, natural sciences or social sciences/
     history. Students who have earned less than 6 credits in the
     discipline (or 3 credits for mathematics), from any source, will be
     awarded the difference in credits upon successful completion of the
     exam. Students who already have 6 or more credits in the discipline
     (or 3 credits for mathematics) will not receive credit for the exam.
     General CLEP exams are listed in bold font in the College-Level
     Examination Program (CLEP) Exams Currently Accepted (p. 5)
     table.

  2. Students may not duplicate a course for which credit has already
     been earned or in which the student is currently enrolled.

  3. Students must wait at least one year after the end of an audited
     course before taking the CLEP Subject exam for that course.

  4. The minimum passing score for approved CLEP exams is 50, with the
     exception of the following foreign languages scores: French
     semester I and II minimum 50, semesters III and IV minimum 59;
     German
     semester I minimum 39, semester II minimum 50, semester III
     minimum 55, semester IV minimum 60; Spanish semester I minimum
     39, semester II minimum 50, semester III minimum 57, semester IV
     minimum 63.

- **College Board Advanced Placement Exams**
  UAF grants advanced credit for exam results of 3 or higher, or a score
  of 4 or 5 (effective fall 2016) for Calculus AB or BC, on the College
  Board (CEEB) Advanced Placement Tests (see the College Board
  Advanced Placement (AP) Exams Currently Accepted (p. 7)
  table). These exams are usually taken during the junior or senior year
  in high school.
  To receive CEEB advanced placement credit, ask that an official
  report of the exam results be sent to the Office of Admissions
  from the College Board. Credits may be earned for more than one
  advanced placement exam.

- **Credit for Language Testing**
  UAF accepts successful test results from Brigham Young University
  or other national testing programs (subject to approval from the
  Department of Foreign Languages and Literatures) in languages for
  which no CLEP test is available, for a maximum of 12 credits. The first
  10 credits may be applied to the general education Humanities and/
  or Additional Arts/Humanities, Social Sciences requirement, and any
  additional credits will be awarded general humanities elective credit.
  Results must be submitted directly to the Office of the Registrar by
  the testing agency. For more information on foreign language testing

---

### Alternate Ways to Earn Credit

#### TESTING SERVICES

As a national test center, UAF Testing Services administers paper-and
pencil and computer-based exams. The office advises UAF students,
prospective students and the community on national testing matters
for college admissions and placement and for career and professional
certification. Testing Services also coordinates credit by examination for
local tests and for the College-Level Examination Program (CLEP). The
office also does private proctoring. For more information and registration
materials, contact Testing Services, 211 Gruening Building, 907-474-5277,
uaf-testingdept@alaska.edu or http://www.uaf.edu/testing/.

#### CREDIT FOR NATIONAL EXAMS

There are several ways to earn college credit by receiving a passing score
on a national exam. For any of the following exam options, grades are not

---

1 Or any math course having one of these as a prerequisite.
opportunities, contact UAF Testing Services at 907-474-5277 or uaf-testing-dept@alaska.edu.

Students who are speakers of non-English languages transferring from foreign partner universities to UAF are exempted from taking a foreign language test to demonstrate fluency in that language. Complete the language exemption/GER credit waiver form and file it with the Office of the Registrar. Upon approval, 3 credits of general education humanities and/or 3 credits of additional arts/humanities/social sciences general education requirements will be waived. This applies only to students participating in formalized articulation agreements established between UAF and partner institutions.

- **DANTES-DSST (Standardized Subject Tests)**
  DSST is a national testing program that offers exams in traditional academic, vocational/technical and business subject areas. Credit is awarded for successfully completing DSST tests as recommended by the American Council on Education. Acceptance of the DSST exam for a specific catalog course or as a major/minor requirement is subject to department approval. DSST exams cost $120 each (cost subject to change). Contact UAF Testing Services at 907-474-5277 or uaf-testing-dept@alaska.edu about the availability of DSST testing.

- **International Baccalaureate**
  The International Baccalaureate Diploma Program is a two-year curriculum for students ages 16 to 19 and is similar to the final year of secondary school in some countries in Europe. UAF grants advanced credit, with a waiver of fees, for IB higher-level and some standard-level exams on which students have earned a score of 4 or higher, or a score of 5 or higher for mathematics (see the International Baccalaureate Exams Currently Accepted table). To receive IB credit, students should submit an official copy of their IB exam results to the Office of the Registrar.

1 Portfolios may be submitted to the Art Department for further evaluation.
2 Can be used to meet the Social Sciences general education requirement.
3 Can be used to meet the Humanities general education requirement.

X = Course meets general education requirement.

The Table of GER Substitutions: Non-UA Institutions (p. 1) guidelines determine which courses may meet general education requirements.

Must have a minimum score of 3, or a score of 4 or 5 for Calculus AB or BC, in order to receive UAF credit.

Credit by exam may not be requested for audited courses until one year has passed since the end of the semester in which the course was audited. A course challenged for credit cannot duplicate a course for which credit has already been granted or in which the student is currently enrolled. It is up to the discretion of the department and instructor to decide which courses can be challenged, the testing method and grading procedures. Credit by exam is not available.

UAF ADVANCED PLACEMENT CREDIT

- **English**
  Students with ACT or SAT scores that place them in WRTG F211X, WRTG F212X, WRTG F213X or WRTG F214X (see English, Developmental English and Developmental Studies Course Placement Scores [http://catalog.uaf.edu/getting-started/registration] table) may receive local advanced placement credit for WRTG F211X upon completion of WRTG F211X, WRTG F212X, WRTG F213X or WRTG F214X with a grade of C or better.

  Students who have received transfer credit that substitutes for WRTG F211X, WRTG F212X, WRTG F213X or WRTG F214X with a grade of C or better and who meet the ACT or SAT test score requirement may also receive credit for WRTG F111X.

  To receive this credit, students must submit the Application for WRTG F111X Credit form to the Office of the Registrar. The form is available at the Office of the Registrar or the English Department.

- **Alaska Native Language**
  After completing a course in which the student was placed (above 101) and earning a B grade or higher, the student may ask to receive credit for the two immediately preceding prerequisite courses, if any. However, credit cannot be awarded for such courses if university credit has already been granted. Credit will not be awarded for special topics courses, individual study courses, literature or culture courses, conversation courses, or any course taught in English.

CREDIT FOR PRIOR LEARNING

The Academic Advising Center administers the credit for prior learning program, wherein students may earn undergraduate credit based on university-level learning they have obtained outside the classroom. Students can document the university-level learning they have gained through employment, volunteer service or other life experiences with a portfolio or copies of licenses and certificates earned. Certificate, associate or bachelor’s degree students may earn up to 25 percent of total program requirements through the credit for prior learning program.

Credentials for admitted degree students who are currently enrolled are reviewed by faculty from participating departments who determine if this process is appropriate and make recommendations for awarding prior learning credit. Review is based on equivalency to courses listed in this catalog. Credit received for prior learning does not affect your GPA and is not considered residence credit. The university will award transfer credit for specified national and state authorizations, certificates, credentials and/or examinations (see Transferring Credits [p. 1]) that do not need credit for prior learning review. For further information or assistance, contact the Academic Advising Center, 510 Gruening Building, 907-474-6396 or uaf.advising@alaska.edu. The credit for prior learning student handbook is available at [http://www.uaf.edu/advising/cpl/CPL-Handbook.pdf](http://www.uaf.edu/advising/cpl/CPL-Handbook.pdf).

COMPETENCY TESTING

Students with appropriate background experience may complete certain components of the UAF general education requirements via competency testing. Credit by exam is not available.

- **Library Competency Exam**
  The Library Competency Exam, administered by UAF Testing Services, is offered to fulfill the bachelors’ degree requirement for LS F101X. The LCE, offered daily in Testing Services for $30, is designed to test or verify a student’s knowledge of standard library functions, services and organization. While no credit is awarded for passing this exam, a score of at least 70 percent will fulfill the bachelors’ degree requirements for LS F101X. Please contact Testing Services at 907-474-5277.
• **Computer Skills Placement Exam**
  The Computer Skills Placement Exam, administered by UAF Testing Services, is offered to fulfill the degree requirement for AIS F101, required by students seeking a B.B.A. degree at UAF. The CSP, offered daily in Testing Services for $30, is designed to test or verify a student’s knowledge of information technology and file management procedures; word processing (Word), spreadsheets (Excel), databases (Access) and presentation (PowerPoint) software; and information and communication skills. While no credit is awarded for passing this exam, a score of at least 70 percent will fulfill the degree requirement for AIS F101. Please contact Testing Services at 907-474-5277, uaf-testing-dept@alaska.edu or 211 Gruening Building for more information.

• **Oral Communication Competency Exam**
  Requests for competency testing for COJO F141X will be considered only if, in the opinion of a member of the Communication and Journalism Department faculty, a student presents evidence of substantive prior experience in formal public speaking situations (competency testing is not available for COJO F131X). Neither prior oral intensive course work nor COJO F432 are considered evidence of substantive prior experience. If the prior experience is sufficient, the individual will be asked either: a) to provide a video (not audio) recording of a formal public speaking presentation at least 10 minutes in length, or b) to present a 10-minute persuasive speech before a live audience, with at least one member of the Communication and Journalism Department faculty present. This process may be attempted only once. The date for live speeches will be established each semester, at a single time during the fourth to sixth week of classes. While no credit is awarded for passing this exam, a grade of at least a B (3.0) for either type of presentation will fulfill the general education requirements for COJO F141X. For more information and an application for competency testing, contact Testing Services at 907-474-5277, 211 Gruening Building, or the Department of Communication and Journalism at 907-474-7761 or 101 Bunnell Building.
