ARCTIC SECURITY

Graduate Certificate

The graduate certificate in Arctic Security is an addendum to the 2019-2020 UAF General Catalog.

A new graduate certificate was approved by the chancellor in October 2019. This page includes the specifics of this new program. The degree will be effective summer 2020.

The Arctic Security Graduate Certificate provides students with the education and expertise to understand and better navigate the numerous concerns surrounding the Arctic region. With the transforming Arctic and its associated climate, security, geopolitical and resilience-related developments, a thorough understanding of the region will prove to be key to those who work within the fabric of local, state, national and international settings. An Arctic security Graduate Certificate represents an endorsement of advanced academic education and a more robust understanding of the operational context of the Arctic.

Minimum Requirements for Arctic Security Graduate Certificate: 12 credits
