BUSINESS ADMINISTRATION

MBA Degree

The School of Management offers professional education applicable to the fields of management, finance, human resource management, international business, marketing, and scientific and technical management to individuals interested in entering industry or government.

The program prepares graduates to meet the complex problems of the technical, economic and social environment and to enable them to provide imaginative and responsible leadership to industry and government.

The UAF program recognizes that competence in the practice of management necessitates education with both breadth and depth. The graduate program is accredited by the Association to Advance Collegiate Schools of Business.

All applications will be reviewed to determine if the applicant has the required body of knowledge to begin MBA courses. Those deficient may be required to complete prerequisite modules prior to admission or prior to enrolling in specific courses.

Minimum Requirements for Business Administration MBA: 30 credits
