Payment Process

Note: All costs and fees are subject to change.

Fee Payment Deadlines

All payments must be received by the fee payment deadline (<https://catalog.uaf.edu/handbook/reg-guide/process/#feepaymentdeadlinetext>). No paper bill will be sent. Check your account and get a printout of your charges at UAOnline (<https://alaska.edu/uaonline/>).

Students are not considered registered for any courses until all tuition and fees are paid or other payment arrangements have been made by the fee payment deadline.

An electronic bill will be generated for you on or about the 15th of each month and made available via UAOnline (<https://alaska.edu/uaonline/>). A reminder will be sent via email each time a new bill is generated. It is your responsibility to check your email address regularly. A link on the UAOnline (<https://alaska.edu/uaonline/>) "Statement and Payment History" page will take you to the page where you can pay with credit card or electronic check. To view your bill, go to UAOnline (<https://alaska.edu/uaonline/>) and choose "Student Services & Account Information" from the main menu, then "Student Account," then "Statement and Payment History."

Other than tuition, fees, housing and dining, which are due according to the schedule (<https://catalog.uaf.edu/handbook/reg-guide/process/#feepaymentdeadlinetext>), any charges owed to the university are due within 5 days of when they are incurred to avoid additional late fees.

Payment Plan

Cost

- \$65 online (reduced rate only applies to online enrollment via UAOnline (<https://alaska.edu/uaonline/>))
- \$65 in person, and special arrangements
- \$0 for deferred payment plans

Who pays

UAF degree-seeking students who cannot pay all tuition and fees at the beginning of a semester.

What's covered

Budgeting by distributing the costs of tuition and fees over up to five payment dates. Payment plans are available for UAF students via their UAOnline account. (Note: Only UAF offers this option.) A down payment and enrollment fee are required at the time of enrollment.

The earlier you enroll, the more payment plan options are available, so enroll early!

Learn more about payment plans (<https://uaf.edu/bursar/for-students/payments/payment-plan.php>)

Consequences of Not Paying Tuition and Fees

Failure to pay your tuition and fees in full or make other payment arrangements by the final fee payment deadline may result in the cancellation of your class schedule. UAF may withhold transcripts, grades and other services, and cancel meal plans and housing if you do not pay your financial obligations. If the university takes such action, you will still be responsible for your account balance in full. Registration, access to order transcripts, etc., may be withheld from any student who is delinquent in paying any amount due to the university. The registration process is not complete until the student has paid all fees and charges due to the university. The university may drop you from your courses after the fee payment deadline if you owe a balance to the university. A \$100 reinstatement fee will be charged to re-enroll in dropped courses.

Failure To Meet Financial Obligations

University policy requires a financial hold be placed on your student account if you fail to meet your financial obligations. The hold will prevent any registration, transcript or graduation activity.

Past-due accounts may be sent to a collection agency. You will be responsible for any interest, late fees and/or collection costs added to your account. Past-due accounts may be reported to a local credit bureau. The

university is authorized to garnish Alaska Permanent Fund Dividends for payment of past-due accounts.

Graduate Students

All graduate students must have their student bills paid by the fee payment deadline each semester as set by the UAF Bursar's Office.

For students on a graduate assistantship, contract letters are automatically received by the Graduate School. Those contracts that are received on or before the fee payment deadline will be processed by the close of business on the last Friday of fee payment. Students are responsible for ensuring their account is paid in full by the fee payment deadline.

Students on fellowships or receiving payment via a memo must complete the Graduate School Fee Payment Form (<https://www.uaf.edu/gradschool/current-students/forms.php>).

Tuition Calculator (<https://www.uaf.edu/handbook/register/tuition.php>) Current Tuition and Costs (<https://www.uaf.edu/finaid/costs/>) Tuition

Note: All costs and fees are subject to change.

How Tuition Is Calculated

Tuition is determined by the following:

- the number of credit hours in which you are enrolled,
- the campus and level of the course, and
- your residency status.

Students taking 4 or fewer credits are charged at the resident rate.

Note: Audited credits are charged at the same rate as other credits.

****Starting in Spring 2024, The University of Alaska is removing the credit card threshold. All nonresident Troth Yedda' and CTC students will pay the nonresident rate.**

Full-Time Status

You are considered a full-time student if you enroll in 12 or more credits as an undergraduate or 9 or more credits as a graduate student.

Tuition Surcharges

The College of Business and Security Management (<https://www.uaf.edu/cbsm/>) has a 25% tuition surcharge for upper-division and graduate-level courses (\$72-\$135/per credit). The College of Engineering and Mines (<https://www.uaf.edu/cem/>) has a 20% tuition surcharge (\$58-\$108/per credit). Surcharges are applied on a per-credit basis (rounded to the nearest dollar) and are considered a fee. Tuition waivers do not cover tuition surcharges.

Resident and Non-Resident Tuition

All students should check their residency status and tuition charges each semester when they register. Electronic processes, such as a new

application, may cause a student's status to change from one semester to the next.

In general, students are expected to have resided in Alaska for the prior two years to be eligible for resident tuition. However, there are additional criteria to meet the eligibility requirements. In the past two years, students must not have:

- been absent from Alaska for an aggregate of more than 120 days other than documented absences due to illness or attendance at another educational institution while maintaining Alaska residency;
- acted inconsistently with Alaska residency, such as claiming residency in another state or voting as a resident of another state;
- registered as a resident at an educational institution in another state; or
- received the Western Undergraduate Exchange (WUE) scholarship, and paid tuition at WUE rates.

Proof of eligibility for the Alaska Permanent Fund Dividend is the standard accepted documentation of residency. You'll also need to complete an Application for Resident Tuition Assessment (<https://www.alaska.edu/student-services/student-resources/residency/Residency-Application-enterable.pdf>). Other specific proof of residency, as outlined at the Alaska PDF site (<https://pfd.alaska.gov/>) may be accepted.

- PFD proof of eligibility – Submit a copy of your most recent Form 1099 or go to check out the Alaska PDF site (<https://pfd.alaska.gov/>) and click on **Check Application Status**, follow the instructions, print the final page that shows **approved, paid, or eligible** and submit it with your UAF residency application.

Students graduating from a qualified Alaska high school within one year of enrollment and enrolling in a degree program will automatically be considered residents when they provide their high school transcript.

Other exemptions of the nonresident surcharge may be permissible (<https://alaska.edu/student-services/student-resources/residency/>).

- There is no limit to the number of credits an employee's spouse and dependent children through age 23 may take.
- Dependent children must be under the age of 24 on the first day of instruction to be eligible.
- Dependent tuition waivers require the sponsoring employee's signature in addition to the dependent's signature.

- Through Friday, Sept. 8 (fall semester); Friday, Jan. 26 (spring semester): **100% tuition and fees***
- After Friday, Sept. 8 (fall semester); Friday, Jan. 26 (spring semester): **no refund**

Courses meeting four weeks or more, but less than a semester

- Drop within five business days of the first class: **100% tuition and material/course/lab fees**

Courses meeting less than four weeks

- Last day to drop for a full refund is the first day of the class.

CEU (Continuing Education Unit) courses

- 100% refund of all charges if you withdraw by the first day of class.

Regular semester-length evening and weekend courses beginning after:

Friday, Sept. 8 (fall semester), Friday, Jan. 26 (spring semester)

- Drops must be processed the next business day for the refund policy to apply.

Canceled Courses

If your class is canceled, you may add another class of equal credit and level at no additional tuition cost. You must pay any additional fees. If you do not add a replacement course, the Bursar's Office will automatically process a credit to your account.

Add/Drop

A 100% swap of tuition after the last day to pay tuition and fees is allowed only if the drop and add are done from one level of the same subject to another (i.e. from MATH F251X to MATH F151X) on the same day.

- If an upper-level class is swapped for a lower-level class, the difference is refundable at 100% through the 100% tuition and fees refund period for that semester.
- If a lower-level class is swapped for an upper-level class, the student must pay the difference.

Late fees apply for added classes.

Fee Refunds

The consolidated fee, facilities, network, orientation, laboratory, material and miscellaneous fees are not refunded after the 100% refund deadline. Parking permits purchased and not received or purchased and returned by the fee payment deadline are refundable. Health insurance will be credited to your account if a total withdrawal takes place within the first 31 days of the insurance policy coverage. If you withdraw for medical reasons, you may appeal the reversal of your insurance enrollment with the Student Health and Counseling Center.

Exceptions to Policy: Appeal for Refund of Tuition

Appeals for a refund of tuition are exceptions to policy and are only allowed in exceptional cases. Approval is not automatic, and you need to provide documented evidence to support your request. Acceptable serious and compelling reasons may include:

1. death in the immediate family;
2. serious illness or injury of the student or immediate family; and
3. factors outside students' control (for example, fire, flood).

Not receiving expected financial aid, or failing to comply with published deadlines or regulations are not serious and compelling reasons to seek a refund and will not be approved.

Appeals for a refund of tuition must be submitted within 30 class days after the beginning of the next regular semester. Forms for an appeal for a refund of tuition are available online (<https://www.uaf.edu/bursar/forms.php>), through the Bursar's Office in Signers' Hall at the Fairbanks campus, or through local campus student services offices. Once received, the appeal will be evaluated by a campus-wide committee, which will return a decision to the student. The decision of the committee is final, and a student who files a written appeal under these procedures shall be expected to abide by the final disposition of the review, as provided, and may not seek a further appeal of the matter under any other procedure within the university. Submission of appeals and appropriate documentation after published deadlines will not be considered. Contact the UAF Bursar's Office for more information.

In order for the committee to consider your appeal for a refund for a class, you must be fully withdrawn from the class. To withdraw from your class or classes, complete the Total Withdrawal or Late Withdrawal form (whichever is appropriate) and submit it to the Office of the Registrar. Forms can be found online (<https://www.uaf.edu/reg/forms.php>) or at the Office of the Registrar.

Refund Processing

Financial aid will be disbursed to student accounts 10 business days prior to the first day of class for the semester and the Bursar's Office will begin processing refunds at that time. Submit an Advance of Funding form (<https://nextgensso.com/sp/startSSO.ping?PartnerIdpld=urn:mace:incommon:alaska.edu&TargetResource=https%3a%2f%2fdynamicforms.ngwebsolutions.com%2fSubmit%2fStart%2ffdf12a6-e312-4608-9a57-61df7c5a0dd8>) if you need your fund for books and supplies.

Refund processing is automatic for students who officially drop courses by published refund deadlines. Remember to return parking permits if you drop them during the 100% refund time.

All refunds are processed electronically or by mail. The Bursar's Office does not issue refund checks for amounts less than \$10. It is your responsibility to check your account and contact the Bursar's Office to receive your refund as cash or to apply it to your PolarExpress card as a nonrefundable payment.

- If you paid tuition and fees by credit card only, the card will be credited up to the amount charged.
- If your tuition was paid through external sources such as financial aid, federal loans, scholarships, or grants, you will receive your refund as a check sent to your mailing address of record or direct-deposited in your bank account.

Once processed by the Bursar's Office, direct deposit takes three to five business days to disburse to your bank account.

- Your refund is subject to federal regulations. If you receive a refund due to dropped classes or a total withdrawal, you may no longer qualify to receive scholarships or financial aid. In that case, the funds may be returned to the lender or grantor pursuant to all applicable rules and regulations.
- If you paid by cash or check, a refund check will be sent to your mailing address of record, or direct-deposited in your bank account. If you notify the Bursar's Office that you have not received the check due to an incorrect address, a fee of \$18.50 will be charged for all checks reissued due to a stop payment request by the student. Please be sure your current mailing address is on file.
- If you paid your tuition and fees by check, refund processing will begin after your check has cleared the bank.

Any balance owed to the university will be deducted from your refund.

Students who drop during the 100% refund period and want to maintain health insurance coverage should contact the Student Health and Counseling Center at 907-474-7043.

Direct Deposit of Refunds

Enrolling in direct deposit allows your refunds to be electronically deposited into your bank account. It's simple, safe and convenient. Financial Aid

Note: All costs and fees are subject to change.

Apply for FAFSA (<https://uaf.edu/finaid/afsa/>)

Many students receive some sort of financial aid from either the State of Alaska, the federal government or institutional programs. The application process may take up to six weeks. The Financial Aid Office, located in 107 Eielson, has all the necessary applications.

Financial Aid Reminders

To be eligible for financial aid, you must:

- Be admitted to a UAF degree or certificate program and meet satisfactory academic progress standards.
- Be an undergraduate enrolled in 12 or more credits (or a graduate student enrolled in 9 or more graduate-level credits) if receiving full-time funding. Waitlisted and audit classes do not count toward determining your full-time student status.
- Complete online entrance counseling if receiving a Federal Direct Loan for the first time.

If your guaranteed financial aid or loans will not arrive before the last day to pay tuition and fees, you must arrange for a payment plan with the Bursar's Office.

Before the last day of fee payment, you must make arrangements to pay tuition and fees, including housing if you are living on campus. A payment plan can be arranged if disbursement of financial aid will be delayed past the payment deadline. You must pay tuition and fees by that time or late fees will apply. Contact the Bursar's Office if you are interested in setting up a payment plan.

To verify that financial aid has arrived at UAF and is available for disbursement:

- go to the financial aid website (<https://www.uaf.edu/finaid/>) and select **Check Your Aid Status**, or
- log on to UAOnline (<https://www.alaska.edu/alaska/>), or
- contact the Financial Aid Office, 107 Eielson Building, 907-474-7256, 888-474-7256 or uaf-financialaid@alaska.edu.
