

# Registration Process

## Before You Register Before You Register

### Degree Students

Degree students who have been accepted to a certificate or degree program may register in UAOnline, after meeting with their advisor, on the first day of priority registration.

#### 1. Apply for admission.

- Apply for admission (<https://www.uaf.edu/admissions/apply/>) if you are not currently admitted to a certificate or degree program.
- Complete math and writing placement requirements (<https://www.uaf.edu/admitted/placement.php#englishplacement>).

#### 2. Review your academic progress in DegreeWorks.

- Go to DegreeWorks (<https://www.uaf.edu/reg/grad/degreeworks.php>) to review your progress before you meet with your advisor

#### 3. Meet with your academic advisor.

- Your advisor will enable/pin your UAOnline account each semester so that you can register for classes at UAOnline (<https://www.alaska.edu/uaonline/>).
- If you're not sure who your academic advisor is, search for them on the admitted student advising page (<https://uaf.edu/admitted/advising.php>).

If you have completed steps 1-3, you are ready to register. See the **How to Register** tab above.

### Graduate Students

#### First-semester graduate students

1. Meet with your academic advisor. If you are unsure who your advisor is, talk to your academic department.
2. Register for classes in UAOnline (<https://www.alaska.edu/uaonline/>). See the "How to Register" tab above.

#### Continuing graduate students

1. Consult with your committee chair before registering.
2. Register for classes in UAOnline (<https://www.alaska.edu/uaonline/>).

#### All graduate students

- Students should use tuition paid through a graduate assistantship or fellowship for courses directly related to their degree program. All fees are the student's responsibility unless the department or institute makes other arrangements with the UAF Graduate School before the fee payment deadline.
- Graduate assistantship appointment letters are created and processed through the NextGen platform. If you need to print or access your contract letter after signing, you can access all of your forms through the NextGen Dashboard (<https://nextgensso.com/sp/startSSO.ping?PartnerIdpId=urn:mace:incommon:alaska.edu&TargetResource=https://dynamicforms.ngwebsolutions.com>).
- Graduate fellowship award letters must be submitted directly to the Graduate School before the fee payment deadline to have your payment applied to your student account.

### Nondegree Students

Nondegree students are students who are not working toward a degree and have not been accepted to a certificate or degree program.

#### Nondegree students are:

- Required to meet all course prerequisites including taking placement exams for writing and math.
- For 600-level courses, nondegree students may be required to provide supporting documentation that shows they have suitable knowledge to successfully participate in the course.
- If a nondegree student does not meet the prerequisites and/or restrictions for the course they will need to reach out to the instructor for permission to register.
- Not eligible for financial aid.

#### Continuing nondegree students:

- Confirm you are an active nondegree student and do not have any current registration holds.
- Register in UAOnline (<https://uaonline.alaska.edu/>).

#### New or returning nondegree students:

- Complete the free application to become a nondegree student at UAF.
- For help applying, contact the Office of Admissions (<https://uaf.edu/admissions/>).
- For help registering, contact the Office of the Registrar (<https://uaf.edu/reg/general-info/contact.php>).

## Student Directory Hold

The university may release certain directory information to the public on a routine basis unless a student requests, in writing, the university not release it. This is called a confidential hold. See the FERPA site (<https://www.alaska.edu/student-services/ferpa/>) for more about directory information.

## How to Register How to Register Registration Online

- Attend classes beginning the first day of instruction.
- In-person classes may have an online component. Verify with your instructor where to log on, ie Canvas, Blackboard, Google Classroom, Zoom, etc.

**Note:** You may be dropped if you do not attend the first class meeting without prior approval from your instructor.

## Course Options

## Course Options

### Waitlisting

When a class is full, it is listed as "closed." Some courses offer a waitlist option. If you want to be waitlisted for a closed class, select "Waitlist" from the drop-down menu on the registration screen in UAOnline and select "Submit Changes."

See more information on waitlisting (<https://www.uaf.edu/reg/records-registration/waitlisting.php>).

### Individual and Directed Study

Individual study courses provide students with opportunities to improve their knowledge in areas of study not listed in the current catalog. Directed study courses allow a student to contract with an instructor to enroll individually in a course that is listed in the catalog but in a semester in which the course is not offered in the regular schedule. Please use the forms available from the Office of the Registrar. Follow the guidelines provided at the top of the form. Individual study course numbers end in -97 and the course reference number (CRN) for an individual study course will be assigned by the Office of the Registrar.

### Permission-Only Classes

To register for a class with a restriction, contact the instructor or the department offering the course to get permission, which they can enter in UAOnline. Once permission is granted you can register for the course on UAOnline (<https://alaska.edu/uaonline/>).

### Auditing a Class

Students who want to enroll in one or more courses for informational purposes may register as an auditor if space is available and auditing is permitted in the class. You pay the standard tuition and fees for the course, but the credits are not included in the computation of study load for full-time/part-time determination or financial aid. If you want to audit a course for which you are already registered for credit, you must make the change by the add/drop deadline.

### Mandatory Course Placement

Make sure you've met writing and math placement requirements and prerequisites or you may not be able to register for some courses. See current placement information (<https://uaf.edu/admitted/placement.php>) in the UAF catalog.

## Credit/No-Credit Option

The credit/no-credit option enables you to enroll in courses without affecting your overall GPA. One elective course per semester can be taken under this option. You must apply for the option by Friday after the add/drop deadline. Credit/no-credit option forms are available online (<https://www.uaf.edu/reg/forms.php>) or at the Office of the Registrar.

## Overloads

Undergraduate students in good standing may take up to 18 credits in a regular (fall/spring) semester. (<https://catalog.uaf.edu/academics-regulations/undergraduate-credit-load/>)

Students who are on Academic Probation are limited to 13 credits per regular semester.

Enrollment in the summer semester is limited to no more than 15 credits.

Students who wish to take more than 18 credits in a regular semester must have a cumulative GPA of 3.0 or higher. Any student in good standing seeking an overload of 19 to 23 credits must get advisor approval; for more than 23 credits, or for any student with less than a 3.0 GPA, the dean of the student's college or school must also approve.

## Changing Your Registration

## Changing Your Registration

### Called to Active Duty or Other Military Orders

If you receive military orders that will impact your ability to finish the semester, UAF will work with you. Contact the Office of the Registrar to discuss your options. Depending on your circumstances we may approve a late drop or withdrawal, with or without a refund of tuition and fees.

UAF allows all undergraduate students to return to school for up to two years without reapplying for admission. If you have an absence of fewer than two years, please see your advisor and register when registration opens. If you need additional time away from your program due to military service, you can request an extension by contacting the Office of the Registrar at [uaf-registrar@alaska.edu](mailto:uaf-registrar@alaska.edu).

Any graduate student needing to take time off for military obligations can file a leave of absence and should contact the Graduate School at [uaf-grad-school@alaska.edu](mailto:uaf-grad-school@alaska.edu).

### Canceled Classes

If you are registered for a class that is canceled for low enrollment or other reasons, you will be notified by email. You will not be charged for the course and will receive a refund if you have already paid.

### Making Changes in UAOnline

You can add and/or drop courses in UAOnline (<https://uaonline.alaska.edu/>) through the last day of registration (see the Academic Calendar (<https://catalog.uaf.edu/calendar/>)). Make sure to pay any tuition and fees by the fee payment deadline.

### Making Registration Changes In Person

If the class is a late-start class, or you are making changes after the last day of registration and fee payment, you will need to make changes using a form.

- Complete an add/drop form ([https://www.uaf.edu/reg/files/forms/REC\\_AddDropform.pdf](https://www.uaf.edu/reg/files/forms/REC_AddDropform.pdf)) and email the completed form with any required signatures to us at [uaf-registrar@alaska.edu](mailto:uaf-registrar@alaska.edu).

- The signature of the course instructor is required after the last day of registration.
- Pay attention to the drop dates – they affect refunds.

Dropping courses meeting less than a full semester:

- Courses meeting for four weeks or more, but less than a full semester must be dropped within five business days of the first class to receive a full refund.
- Courses meeting for less than four weeks must be dropped on the first day of class for a full refund.
- Evening and weekend courses beginning after the deadline for adding classes and late registration must be dropped the next business day for a full refund.

## Withdrawing From Courses

### Withdrawing from courses meeting for the full semester

- Please look for the deadlines to withdraw on the academic calendar.
- You may withdraw in UAOnline or submit a withdrawal form to the Office of the Registrar.

### Withdrawing from courses meeting less than a full semester

- For courses lasting less than a full semester, withdrawals must be requested before 60% of the scheduled length of the course has elapsed.
- Contact the Office of the Registrar for the exact withdrawal deadline date for a specific less-than-full semester course.

### Withdrawing from variable credit courses

- For variable credit courses, you cannot reduce the number of credits that you are currently registered for after the add/drop deadline. You may still withdraw entirely from the course.

### Withdrawing after the deadline

- Course withdrawals after the withdrawal deadline are allowed only in exceptional cases and for serious and compelling reasons.
- Approval is not automatic, and you will need to complete the Appeal for Late Withdraw form ([https://www.uaf.edu/reg/files/forms/REC\\_Appeal-for-Late-WD-AUDIT-2017.pdf](https://www.uaf.edu/reg/files/forms/REC_Appeal-for-Late-WD-AUDIT-2017.pdf)) and provide documented evidence to support your request. Acceptable serious and compelling reasons may include:
  - death in the student's immediate family;
  - medical emergency for the student or immediate family; and
  - factors outside the student's control (e.g., fire or flood).
- Failing a course or avoiding an unsatisfactory grade is not an acceptable reason for seeking a late withdrawal or refund, and will not be approved.
- Failure to comply with published deadlines or regulations is also not a reason to seek a late withdrawal or refund.
- Appeals for late withdrawals after the deadline must be submitted within 30 class days after the beginning of the next regular semester. A written explanation of the reason and appropriate documentation is required upon submission. Submission of appeals and appropriate documentation after published deadlines will not be considered. Contact the Office of the Registrar for more information.

### Faculty withdrawals

- If you don't meet the prerequisites for a course or if you haven't participated substantially, the instructor may withdraw you.

- If you are withdrawn from a course, you will be notified through your assigned university email account.

### Effect of withdrawing financial aid

- If a student totally withdraws or drops courses after a refund has been issued, financial aid may need to be repaid.
- If a balance remains on the account because of this, the student has five business days to pay or a late fee will be assessed and a hold placed on the account. Contact the Financial Aid Office (<https://www.uaf.edu/finaid/>) for more information.

## Fee Payment Deadlines

Web registration and fee payment are available every day through the last day of registration/fee payment, except during system maintenance (typically Fridays at 9 p.m.).

**Late fees will be assessed if accounts are not paid in accordance with the above deadlines.** Payment is due by the published deadline even if a bill is not received. Other than tuition, mandatory and additional fees (including insurance), housing and dining, which are due according to the schedule above, any charges owed to the university are due within five days. You may be dropped from your classes if your account is not paid or other payment arrangements have not been made by the fee payment deadline. It is your responsibility to periodically check your account to ensure you are in good standing. To avoid late fees, see Semester Expenses (<https://catalog.uaf.edu/handbook/reg-guide/expenses/>) for specific information.

## Frequently Asked Questions

### Frequently Asked Questions

#### I'm not able to register online. Why not?

There can be a number of reasons:

- Are you a nondegree student who hasn't taken courses within the last two years? Visit the Office of Admissions application page (<https://www.uaf.edu/admissions/apply/>), select **Apply Now!** then select UAF and proceed to create an account. When prompted, submit an application as a nondegree student. The nondegree application is free and is normally processed within 24 hours.
- Have you met with your advisor to discuss registration for the upcoming term? If not, make an appointment with them today.
- Do you meet the placement requirements or prerequisites? If not, speak with your advisor about steps to take.
- Do you have holds on your account?
- Check your registration eligibility in UAOnline (<https://alaska.edu/uaonline/>).
- Select **View Holds** and contact the office where the hold originated.
- If you have a registration hold, you may not register until the hold is removed by the initiating office. For other problems, contact the Office of the Registrar (<https://www.uaf.edu/reg/>) at 907-474-6300.

## What is enrollment verification?

An enrollment verification confirms your current or previous enrollment status with the university. UAF has partnered with the National Student Clearinghouse to provide proof of enrollment electronically.

To obtain your official enrollment verification certificate, please log in to UAOnline (<https://www.alaska.edu/uaonline/>) and follow these steps:

- Select **Enrollment Verifications** from the **Student Services & Account Information** tab
- Select your campus and click **Submit Enrollment Verification**.

If the enrollment history on your certificate is not up-to-date, it is possible UAF has not submitted an enrollment report to the NSC for the semester or since you last made registration changes. We submit reports to the NSC once a month beginning the third week of the semester.

- For situations when the NSC verification is not available, does not accurately reflect your current enrollment or is accepted (i.e. military), please submit an Enrollment Verification form ([https://uaf.edu/reg/files/forms/REC\\_Enrollment-Verification-Request-2023.pdf](https://uaf.edu/reg/files/forms/REC_Enrollment-Verification-Request-2023.pdf)). You may attach additional documents if necessary. A manual enrollment verification can only be processed for the current semester. If enrollment verification is required for past semesters, you must order an official transcript.

## Student Loan Deferment Verifications

- UAF submits a report of students' enrollment statuses to the NSC monthly during the academic year. The NSC then supplies verification of enrollment to lending agencies.

## Alaska Permanent Fund Dividend

- Students must submit AK PFD form #04304 directly to the Office of the Registrar for processing.
- The form will be processed and sent directly to the AK Department of Revenue PFD Division within 3 business days. We do not release the form back to the student.

## What is a course override?

In some cases, your instructor may need to grant you a course override before you are allowed to register for a specific section. Common reasons for course overrides include:

- approval for waiver of a class prerequisite
- instructor or department approval required for registration courses is restricted to certain majors, class standing, etc.
- approval for a time conflict approval to register for a closed (full) class
- permission to add a class from the wait list

Only the primary instructor of the course can approve a course override for you.

## I can't log on to UAOnline. Help!

UAOnline (<https://alaska.edu/uaonline/>) allows you to log on using your UA username and password. These are the same credentials you use to log into webmail, Blackboard and many other applications at the University of Alaska.

- To find out your UA username or to reset your password, go to ELMO: Easy Login Maintenance Option (<https://elmo.alaska.edu/>).

If you need additional help with your login please contact OIT (<https://www.uaf.edu/nooktech/>).
