

Living on Campus and the Community Living Standards

The UAF Department of Residence Life has established community standards and policies for students living in on-campus housing which can be found in the Residence Life Handbook (<https://www.uaf.edu/reslife/hpolicies/>). The handbook is designed to help residents make the most of their time as a resident and understand the policies and standards that apply while living on campus. If you plan to reside on campus, please familiarize yourself with its contents as you are responsible for knowing and complying with this information.
