• gender-inclusive housing
• living-learning communities
• trained staff on call 24 hours
• more than 1,000 programs each year

ELIGIBILITY
All UA students enrolled in at least 6 credits (in-person, online or distance-education class) are eligible for campus housing, but students are not guaranteed housing until approved by the Department of Residence Life. Students must be current on required immunizations to live in campus housing.

APPLICATION PROCESS
You must have access to UAOnline to apply for campus housing. All housing applications and forms can be found in your MyHousing Portal. We have a two-part housing application process. Please complete the Housing Eligibility Form first, then you will be given access to the housing application(s) that fits your housing needs. More information can be found here (https://uaf.edu/reslife/apply/). Incoming non-first-year applicants must pay the $40 nonrefundable application fee with the signed housing application. Application fees are waived for first-year applicants. Upon acceptance, Residence Life will send a written confirmation and receipt to the student.

COSTS
On-campus costs are comparable to off-campus living costs. When amenities such as in-room wifi connections, all utilities, transportation and laundry facilities are added in, the on-campus costs are even more favorable. Residential fees (room and board) are due in full at fee payment along with all other fees. All students living in a residence hall are required to purchase a meal plan, with the exception of graduate students. Please see the Dining Services section (http://catalog.uaf.edu/housing-dining/dining-services/) for more information regarding meal plans.

Residence hall and board plan fees are listed below. All room and board costs are subject to change. Students whose housing applications have been accepted will be able to withdraw (minus the application fee) if rates increase after they apply. Contact Residence Life about residence hall fees. Questions about the meal plan should be directed to Dining Services at 907-474-6661 or uaf-dining@alaska.edu.

HALLS AND ROOMS

Every residence hall has common areas — including recreation lounges, study lounges, small kitchens and laundry facilities — to foster academic and personal growth. Recreational lounges typically have televisions, couches, tables, chairs, and pool tables or ping pong tables. Hall kitchens generally include a range/oven, refrigerator, microwave, sink, table and chairs. Kitchens are for preparing snacks and not designed to replace the university meal plan.

All student rooms have high-speed internet connections. Students must furnish their own twin-long linens, blankets, pillows and towels. Custodial service is provided for all common areas such as hallways, lounges and centrally located bathrooms.

FIRST-YEAR LIVE-ON REQUIREMENT

All incoming first-year undergraduate students are required to live on campus. The live-on requirement is a commitment between the undergraduate students and the University of Alaska Fairbanks to enhance students’ experience and success. Living on campus for at least the first year is a significant advantage, as you will be part of a community and make connections to other students, faculty and staff. Living on campus also connects you to services that support you as you transition to college life at UAF. If you are a first-year undergraduate student enrolled in 9 credits or more, are under the age of 21 and are not planning to live locally with your parent(s)/legal guardian as specified below, you are required to live in a UAF residence hall for one academic year (fall/spring, excluding summer and winter breaks). If you are a UAF student receiving a scholarship specifically for room/board, you are required to live on campus as specified in the stipulations of the award or conditions of the program. Incoming spring transfer students who are still in their first matriculated year are required to live in a university residence hall and carry a traditional meal plan for the spring semester. All undergraduate international students in their first year of study in the United States are required to live on campus their first year. Requests for permission to reside off-campus for other reasons are considered on their own merit, taking into account individual circumstances.

The University of Alaska Fairbanks recognizes that exceptions to the live-on requirement may be appropriate in certain circumstances. Students can request an exception to the live-on requirement by completing an Exception to Housing Agreement Form via their MyHousing Portal (https://beis.alaska.edu/ssomanager/c/SSB/?MAU=F). Those seeking an exemption must meet one or more of the following criteria, subject to validation. Other exceptions not listed below will also be considered on a case-by-case basis:

1. Student is married, in a registered domestic partnership or civil union.
2. Student is a parent with custody of a child or children or caring for a dependent who is living with them.
3. Student is living with immediate family or legal guardian. Parent(s), sibling(s), or grandparent(s) are the only individuals that qualify as immediate family. Immediate family or legal guardian must also live within a 40-mile radius of campus.
4. Credits are 100% eCampus.

More information about the first-year live-on requirement, including frequently asked questions, can be found here (https://uaf.edu/reslife/edge.php).

EDGE PROGRAM

The Education, Development, Growth and Experience program provides support and resources to help traditional first-time students achieve academic success. The EDGE program is for all first-time students under 21 years of age who live on campus. Alcohol is prohibited in EDGE halls. Participants receive instruction in academic success skills, campus resources and other topics that foster success.

UNDERGRADUATE STUDENT APARTMENTS
Currently, Cutler Apartments is the only apartment-style facility open to traditional undergraduate students. Each apartment has a kitchen, two bedrooms and one bathroom, and houses up to four students. Each apartment also has a small patio or deck, and most have shared storage space. There are two laundry facilities in the complex that are open 24 hours a day. Cutler Apartments are available to undergraduate and graduate students in single-student housing.

ROOM USE DURING VACATION PERIODS
All halls are open during Thanksgiving and spring break, but most are closed during the winter break, with the exception of Cutler Apartments. All students living on campus in the fall and spring are eligible to remain on campus over the winter break provided they apply to do so and pay the winter break fee. Space is limited and is available on a first-come, first-served basis. The winter break fee for Cutler Apartments is included in the fall semester rates. Food service may not be available during the winter and spring breaks. Summer housing is also available; assignments are made through Residence Life.

Employee, Family and Graduate Housing
UAF offers a variety of on-campus housing for student families. The university owns and maintains 180 furnished apartments on campus, ranging from one- to three-bedroom units. They are affordable, comfortable and conveniently located near the center of campus.

ELIGIBILITY
Employees, graduate students, and students with dependents or students who are over the age of 26 are eligible for employee, family and graduate housing options at UAF. The main agreement holder must be registered for a minimum of 6 credits (in-person, online or distance education class) or be a benefited employee to live in campus housing.

APPLICATION PROCESS
You must have access to UAOnline to apply for campus housing. All housing applications and forms can be found in your MyHousing Portal. We have a two-part housing application process. Please complete the Housing Eligibility Form first, then you will be given access to the housing application(s) that fits your housing needs. More information can be found here (https://uaf.edu/reslife/home/). You will receive further information within one week of submitting your housing application. For many of Residence Life’s employee, family and graduate housing units, a waitlist is maintained according to the order the application was received. Submitting an application is not a guarantee of accommodations, but it gives Residence Life the information it requires to meet the applicant’s needs. All apartment preferences are honored on a first-come, first-served basis. Once a unit has been designated for you, a $40 nonrefundable application fee will be requested.

PET POLICY
Specific employee, family and graduate housing units allow pets. Residents of employee, family and graduate housing may keep one pet in their unit. Certain types of pets are permitted, including fish, small caged animals, dogs and cats. Residents are limited to types of pets depending on the unit. Detailed information about pet policies can be found on the Residence Life website (https://uaf.edu/reslife/files/Animal_Policy.pdf). All pets must be registered with the Department of Residence Life. Applying to keep a pet does not guarantee approval.

COSTS
Costs for individuals living on campus are comparable to the costs of living off campus. On-campus apartment rental rates include all utilities.

Your occupancy agreement is for either six or 12 months, but you may terminate your agreement early for any reason as long as you provide a 60-day notice. Those who terminate their agreement early and fail to provide a 60-day notice will be charged a $500 cancellation fee. All residents must provide a notice to vacate by submitting a Housing Cancellation Form via their MyHousing Portal. See the cancellation/termination section of your agreement for more detailed information.

Immunization Policy and Housing
The University of Alaska strictly enforces immunization and test requirements for students living in high-density housing. To live in Cutler,
In Garden, Bartlett, Moore, Skarland, McIntosh, Wickersham, Nerland or Stevens Hall, you are required to submit records showing that you have had the following:

- Two measles, mumps and rubella (MMR) immunizations (or proof of immunity)
- Tetanus immunization within the last 10 years (this can be either tetanus/diphtheria [TD], or tetanus, diphtheria and pertussis [TDAP])
- Negative tuberculosis (TB) test (often called a PPD test) within the first year of living in housing. If your TB test was positive, negative confirmatory testing or negative chest x-ray report is required
- Meningococcal (MCV4) for residents under the age of 21, last administered after the age of 16.

If you do not have access to these records, you can obtain these immunizations and TB testing at the Student Center for Health and Counseling or at a clinic or pharmacy in the community (https://uaf.edu/chc/resources/after-hours.php). If you get them done in the community, please upload your immunization records to the Patient Portal (https://uafchc.uaf.edu/login_directory.aspx), bring the documents to the Student Health and Counseling Center, or send them to:

UAF Student Health and Counseling Center
P.O. Box 755580
Fairbanks, AK 99775

Although the university urges all students to be immunized against communicable diseases, these requirements are specifically intended to help ensure the health of all resident students.

MANDATORY IMMUNIZATIONS AND TESTS

You must submit proof of required immunizations by July 31 for fall and Nov. 30 for spring, or your assignment will be canceled or your application will be held. The university may require additional or expanded immunization and testing if the university community's health and safety warrants it.

The university may grant exemptions from immunization requirements based on medical or religious reasons. The chancellor may also grant exemptions to people who will occupy student residence facilities for less than a semester. Those exempted from immunization or testing for a disease may be removed from student residence facilities should an outbreak of that disease occur or threaten to occur. Residence Life cannot authorize exceptions to this policy.

See Board of Regents’ Policy, Part IX–Student Affairs, Chapter XI–Student Health. For more information, contact the Student Health and Counseling Center (https://www.uaf.edu/chc/) at 907-474-7043 or uaf-sh-cc@alaska.edu.
