Pass a comprehensive examination.

Complete the following admission requirements:

- In consultation with a UAF faculty member, prepare and submit:
  - Statement of Academic Goals
  - Research Prospectus
  - Proposed Graduate Study Plan
- Other materials: resume, official transcripts, two academic letters of recommendation, one (1) Letter of Endorsement from one proposed M.A. Advisory Committee member (one from UAF committee chair).

Learning Outcomes are measurable statements that describe knowledge or skills achieved by students upon completion of the program.

Students graduating from this program will be able to:

- Have the skills and knowledge needed to be competent independent researchers
- Be prepared to teach in their field at the college or university level
- Have broad knowledge of research needs and standards in their discipline, such that they are qualified to be research managers at the senior executive level
- Have excellent oral and written communication skills
