Total Credits		21

Note: To complete this minor, students must take at least one class from UAF to meet the minor resident credit requirement. Recommended electives may be taken from UAA or another accredited institution with a formal Speech-Language Pathology program. For the purposes of financial aid, any course taken outside of the University of Alaska system will need preapproval at least 2 weeks prior to the start of the semester. The UAA Communication Sciences & Disorders (CSD) courses listed above are available online. For permission to enroll, or more information about careers in speech-language pathology please contact the UAF Linguistics Department Chair (<https://www.uaf.edu/linguistics/>) and/or UAA's Speech-Language Pathology Program Director (<https://www.aaa.alaska.edu/academics/college-of-health/departments/preventive-and-therapeutic-sciences/speech-language-pathology/index.cshhtml/>).
