

Alaska Cooperative Fish and Wildlife Research Unit

The Alaska Cooperative Fish and Wildlife Research Unit is jointly sponsored and financed by the U.S. Geological Survey, UAF, the Alaska Department of Fish and Game, the U.S. Fish and Wildlife Service and the Wildlife Management Institute. The unit supports and guides graduate training in fisheries and wildlife biology and management.

For more information, visit the Alaska Cooperative Fish and Wildlife Research Unit website (<https://www.akcfwru.uaf.edu/>) or call 907-474-7661.
