

DISABILITY SERVICES

Disability Services strives to ensure universal access to classes, coursework, housing, programs and activities. UAF has designated Disability Services to determine reasonable accommodations for students with disabilities. Accommodations are free and available to any student who qualifies as an individual with a disability or chronic illness and is enrolled in at least 1 credit hour or is registered for a university-sponsored program.

UAF Disability Services serves students who are enrolled in classes at the Fairbanks campus, as well as the Bristol Bay, Chukchi, Interior Alaska, Kuskokwim, Northwest, and Community and Technical College campuses, eCampus, and the College of Rural and Community Development.

Disability Services uses an interactive process designed to be convenient for students. It starts with a simple conversation. Our first goal is to better understand your unique experience. We then partner with faculty and staff to provide academic, university housing and programmatic accommodations.
