Career Services provides career counseling and job search assistance, and also reviews statements for graduate school applications. The Career Services advisor reviews resumes and cover letters, conducts practice interviews and provides online resources through the Career Services website. Information about employment, internships and on-campus jobs is available 8 a.m.–5 p.m., Monday–Friday.

Students and alumni can network with employers and explore careers by participating in on-campus recruitment events, career weeks focused on specific fields, and job fairs where students can apply for full-time employment and internships with local, statewide and national employers. Career Services is in the Academic Advising Center on the fifth floor of the Gruening Building.
